GROWTH OF CITY
Glendale's population in 1910 was 2742; in 1920 was 13,356. Per cent of increase, 393. Present population, estimated, 16,500.

THE GLENDALE EVENING NEWS

BUILDING RECORD
During 1920 the total building permits issued in the City of Glendale was $3,136,664, a national record, in proportion to population.

VOL. XVI WEATHER—Clear GLENDALE, (LOS ANGELES POSTOFFICE), LOS ANGELES COUNTY, CAL., SATURDAY, MARCH 19, 1921 TEN PAGES 168

STRICT PARTY BILL BEING BACKED BY JOHN R. WHITE

PARTISAN MEASURE WILL BE CAUSE OF BIG BATTLE IN STATE LEGISLATURE

A joint bill prepared by Assemblyman John Robert White of Glendale, Smith of Santa Barbara and Lee of Pomona on the proposal to eliminate non-partisanism in state affairs and return government in California to a strict party responsibility, is expected to cause one of the big fights of the legislature, according to dispatches from Sacramento.

The measure is expected to come before the assembly within the next few days. The bill, of which the three assemblymen are joint authors, strikes at irresponsibility as to party affiliations as follows:

"No person may become the candidate of any other political party than the party with which he was affiliated thirty-five days before the date of the primary election, provided that this limitation shall not prevent a person from being nominated for office by having his name written on a primary ballot."

It is stated, however, that judicial, school, county and municipal offices are excepted from this clause.

Lieutenant-Governor Young, one of the sponsors of the direct primary law, will head opposition to the bill in the senate and Speaker Henry W. Wright is said to be ready to seek the bill's defeat in the assembly.

Government in California under the present election laws, according to Assemblyman White, is of the personal variety and has very little responsibility to party pledges or party principles.

Referring to the plight of the people of North Dakota under non-partisanism, White asserted that California eventually will pass through a similarly distressing experience unless the state returns to the fundamental idea that two great parties or rather, two great principles of government, must be utilized by the people in maintaining an efficient and

JUNIOR DANCE IS SOCIAL SUCCESS

ELABORATE AFFAIR IS GIVEN BY CLASS OF 1922 OF LOCAL HIGH SCHOOL

One of the most brilliant social events of the high school year took place last night when the junior class of 1922 held its annual dance, with about seventy-five couples in attendance.

A canopy of crepe paper streamers in the class colors, orange and black, brightened the gymnasium, in which the dance was held. Splendid music was furnished by a four-piece orchestra. The programs were in green and white.

Patrons and patronesses for the affair were Mr. and Mrs. G. U. Moyse, Mr. and Mrs. A. L. Ferguson, Mr. and Mrs. P. E. Webb, Mr. and Mrs. N. C. Hayhurst, Mr. and Mrs. A. W. Cookman, Mr. and Mrs. J. G. Huntley, Mr. and Mrs. G. W. Henderson, Mr. and Mrs. C. H. Toll, Mr. and Mrs. J. R. White, Miss Mona Gardiner and Mrs. C. E. Hutchinson.

The committee in charge of the dance and to whose efforts much of the success of the evening was due consisted of Bob White, floor; Dale Wood, program; Evelyn Gregg, music; Florence Gower, refreshments; Philips Henderson, invitations and bids.

Nebraska Banker To Reside In Glendale

Mr. and Mrs. George H. Kinsey of Arcadia Neb., have recently moved to Glendale to make their home here. Mr. Kinsey, who is a retired banker, is a personal friend of both C. C. Cooper, president of the First National bank, and M. P. Harrison, vice-president of that institution. The Kinseys wintered here a year ago and decided then that there was "only one southern California."

Mrs. J. Mac Millan Home From Hospital

Mrs. J. MacMillan of 350 West Broadway, who underwent a major operation at the Burbank hospital March 1, has so far recovered as to be brought to her home here on St. Patrick's Day. She is slowly regaining her strength and hopes to be able to get around within another month.

Princess Is Missing; Believed Kidnaped; Search Being Made

Oh where, oh where
Has my little dog gone?
Oh where, oh where
Can it be?

That's the little song that baby June Schenck, 3½ years old, of 1143 East Elk street, is singing today with a sad cry after each verse.

She don't know who would be so mean as to steal her "puppy," for that's what she called "Princess," a two-months-old dog that resembles a collie except that it has a black nose, according to June's mother, Mrs. H. Schenck.

If anyone knows of the whereabouts of the pup which is being advertised for in the classified columns of The Glendale Evening News, will they not telephone Glendale 2254.

CHAPTER SESSION MOST ENJOYABLE

PLEASING ENTERTAINMENT IS PRESENTED AT HOME OF MRS. BERYL CROSS

Chapter B. A., P. E. O., held an all day meeting and was delightfully entertained yesterday at the home of Mrs. Beryl Cross, 339 Pioneer Drive, who was assisted by Mrs. Hallie Stamps and Mrs. Fern Clark.

After the usual business meeting a delicious luncheon was served. This was followed by a program consisting of a paper on "The Modern Drama," by Josephine Brant; a group of old English dances played by Mrs. Eva Cunningham and a paper on "The Artistic in Nature in California," by Mrs. Pauline Russell.

This was followed by a dance given by Miss Margaret Brown and Miss Sarah Chandler. This dance, which was arranged especially for the occasion by Mrs. Charles L. Chandler, was much enjoyed and an encore demanded.

Guests for the day, other than the chapter members were Miss Tholen, Mrs. Cora Ramsey, Mrs. Elida Bartlett of Toledo, Ohio, and Mrs. Chandler. Mrs. Mabel Parker also brought her little daughter Lois to be introduced to the chapter.

FRIENDS GUESTS AT BUNCO PARTY

MISS LAVERA KITTERMAN IS HOSTESS AT DELIGHTFUL AFFAIR FRIDAY NIGHT

Miss Lavera Kitterman of 311 North Kenwood street entertained with a "Bunco" party at her home last night in honor of Miss Margaret Lusby, bride-elect, and also in celebration of her own birthday. St. Patrick's motifs and colors were used as decorations.

Guests present were Miss Margaret Lusby, Miss Ruth Cruthers, Miss Dorothy Hamilton, Miss Doris Ingledue, Miss Beatrice Lanning, Miss Waunita Emery, Miss Josephine Emery, Miss Katherine Kitterman, Mr. and Mrs. Wilbur Lee, Kenneth Crist, Elwood Ingledue, Ted Hopping, Ellis Thomas and Vern Wilson.

First prize at "Bunco" was awarded to Miss Josephine Emery and consisted of a St. Patrick's favor. Mrs. Wilbur Lee won the consolation prize, which was a green hat filled with green candies. Refreshments of ice cream, cake and punch were served.

Stay Of Proceedings In Stillman Divorce

NEW YORK, March 19. — Attorneys for James A. Stillman were reported to have obtained a stay of proceedings in Mrs. "Fifi" Potter Stillman's motion for increased alimony and counsel fees, pending trial of the multimillionaire banker's divorce suit.

This action was taken in an effort to prevent Stillman being forced into court to testify regarding his financial condition.

Should Stillman take the stand, he could be questioned not only about his income, but regarding all his recent acts and mode of living, including alleged relations with Mrs. Florence Leeds or any other person. His attorneys apparently are determined to prevent his appearances in court before the divorce suit comes to trial.

Meantime, Mrs. Leeds was reported to have been found in Miami, Fla., living at the cottage of a New York friend of Stillman's with her infant son, Jay Leeds. Stillman's yacht, the Modesty, was said to be anchored off the coast in that vicinity. Mrs. Leeds and her son were reported to be temporarily absent from the cottage.

C. OF C. INDUSTRIAL COMMITTEE HAS CONFERENCES

DETAILS OF PLAN TO BRING $8,000,000 PLANT HERE WILL BE STARTED

At a meeting of the industrial committee of the Glendale Chamber of Commerce at headquarters last night, the California Hydro-Stone company was discussed, it being the intention of that concern to locate in Glendale. No recommendations were made.

It was decided that the committee should hold a joint meeting with the chamber's board of directors at the weekly luncheon on Tuesday of next week at the White Inn. W. O. Bruess, who is representing an eastern tire and auto accessory company which wishes to locate its Pacific coast branch factory here, will be the guest of honor and he will go into the details of what this plant will mean to Glendale.

Would Bring $8,000,000 Industry

As exclusively told in the Glendale Evening News on Thursday, Mr. Bruess is desirous of bringing an $8,000,000 industry to Glendale and he has been offered a tract of eighty acres at $750 an acre, which is considered in realty circles as a "gift price" for a factory site in this vicinity.

The industrial committee is making strenuous efforts to have the tire plant located here on account of the housing possibilities, easy access to Los Angeles and other natural advantages which Glendale can offer.

SPRING FESTIVAL PLANS OUTLINED

MOTHERS' CLUB OF ACACIA AVENUE SCHOOL MEETS; PROGRAM IS ENJOYED

The Mothers' club of the Acacia avenue school held it regular meeting Friday afternoon, Mrs. O. W. Esselman presiding. Under the able leadership of the finance chairman, Mrs. Julian Bennett, plans are already under way for the making of useful and fancy articles for the spring festival which will be held in May.

Mrs. John Robert White, president of the Parent-Teacher Federation, explained very clearly the necessity of raising money to meet the various demands made upon the federation.

Mrs. Wayne McNutt rendered two vocal solos in a very pleasing manner, "Little Brother" and "Heigh Baby Ho Baby."

The speaker for the afternoon was Miss Anna Irene Jenkins of Los Angeles, who gave a talk on "What and Why Is the P.-T. A?" She showed in a comprehensive manner how the ideas and ideals of Froebel have developed into a nation-wide movement. In closing, she laid particular emphasis on the fact that the chief function of the P.-T. A. is to make its members acquainted with one another and with its teachers. A social hour followed, during which coffee and home-made cake were served.

Packer Employees To File Their Demands

CHICAGO, March 19.—Packer employees will place their demands before the mediation conference meeting in Washington on Monday and if they are not met a strike will be called.

This was announced by union leaders here today when count of the strike vote showed a majority of nearly 44,000 favoring a walkout.

The union will demand restoration of the basic eight-hour day and arbitration of wage demands.

Packers declared they could not arbitrate the question of the basic eight-hour day or the 12½ per cent cut in wages recently put into effect.

"They were economic necessities," the packers contend, "and therefore not subjects of arbitration."

BANKER PAYS FINE

LOS ANGELES, March 19.—Peter B. Hovley, wealthy Imperial valley banker and cotton grower, who pleaded guilty to violation of the Mann act, today paid a $1000 fine in the federal court here. He also was sentenced to a year in the Orange county jail. Hovley was straightening up his affairs today preparatory to beginning his sentence Monday. The banker admitted having transported Mrs. Barbara P. Staalduynen, a niece of his wife, from Chicago to Los Angeles.

Today's World News In Brief

(Special Service to Sentinel-Progress)

URGE IMMEDIATE RELIEF BE GIVEN CATTLE INDUSTRY

WASHINGTON, March 19.—Senator Arthur Capper of Kansas, and a delegation of livestock men called at the White House today to urge immediate steps for relief of the cattle industry. Lower freight rates and steps to reduce importation of foreign meats were suggested.

SIX CIVILIANS AND ONE POLICEMAN REPORTED KILLED

DUBLIN, March 19.—Six civilians and one policeman were killed and one policeman was reported missing in a battle between crown forces and Sinn Feiners at Dungarvan today. Two military motors were ambushed and destroyed. The fight lasted six hours.

RESUME PLAY IN CHESS CONTEST AFTER TWO DRAWS

HAVANA, March 19.—Dr. Emanuel Lasker of Germany and Jose Capablanca of Cuba will resume play tonight for the chess championship of the world, following two draw games. The second game resulted in a draw last night after forty moves. The first game, played Tuesday and Wednesday nights, also was a stalemate after fifty moves.

COMMITS SUICIDE BESIDE ASHES OF HER HUSBAND

CHICAGO, March 19.—Lying across the trunk in which were the ashes of her husband, who died a year ago, Mrs. Frances Schreiner was found asphyxiated by firemen who responded to an alarm of fire here today. Investigation revealed that the woman turned on two gas jets, lighting only one. When the room became filled with gas an explosion followed. The woman was dead when found.

A. T. HERT DECLINES OFFERS MADE BY PRESIDENT

WASHINGTON, March 19.—A. T. Hert, national committeeman from Kentucky, has declined an offer from President Harding of one of the important ambassadorships and, following that, refused another offer to become the president's personal representative at the legislative committee for reorganization of the executive department, the White House announced today.

DISARMAMENT CONFERENCES ON EASTER PROPOSED

WASHINGTON, March 19.—A series of disarmament conferences will be held in all parts of the country on Easter Sunday afternoon to call attention to the "needless waste of money for wars," it was announced here today by Miss Emma Wold, chairman of the women's world disarmament committee. A mass meeting in one of the local theatres will be held Easter Sunday night.

ROGERS BELIEVED TO BE HARDING'S AGENT IN MEXICO

MEXICO CITY, March 19.—James Linn Rogers, who has been in conference with President Obregon, is believed to be President Harding's confidential agent in Mexico. Rogers was said today to have taken up with Obregon the oil question and the matter of foreign claims against Mexico, settlement of which is believed to form the basis for American recognition of the Mexican government.

DR. SILAS EVANS IS CHOSEN AS PRESIDENT OF COLLEGE

SAN DIEGO, March 19.—Dr. Silas Evans of the First Presbyterian church, today accepted appointment as the president of Ripon College, Wisconsin. Dr. Evans, a graduate of the college, was for seven years president before accepting the presidency of Occidental college in Los Angeles. His appointment was accompanied by an appeal for acceptance signed by the entire faculty, student body and board of trustees of the college.

SHOTGUN SQUAD IS ORGANIZED AGAINST MAD DOGS

SACRAMENTO, March 19.—Organization of a shotgun squad to patrol the city and shoot on sight any dog running at large is threatened today by the humane society, unless all dog owners confine their pets. This follows discovery of rabies in the brain of a dog recently killed after it had bitten a woman. Fearful lest there be an outbreak of rabies here similar to that which has swept other northern California counties, the board and health and humane society have joined forces to keep dogs off the streets.

CREDITORS HOUND MAN UNTIL HE KILLS HIMSELF

CHICAGO, March 19.—Creditors hounded George J. Kuebler, president of the International Mutual Fire Insurance company, to death, in the opinion of his fiancee, Mrs. Della-Crowder Miller. Kuebler was killed when he plunged from the window of the tenth floor of a building. A revolver containing one discharged cartridge was found in his pocket. Kuebler was divorced from his former wife recently. He was to have married Mrs. Miller of Salem, Ore., noted writer and musician, within a year. Mrs. Miller was staying at a hotel here when Kuebler met death.

Column Conductor Of Chicago Tribune Dies

CHICAGO, March 19.—"B. L. T." is dead. The Chicago Tribune's column conductor — Bertram Leston Taylor—one of America's foremost humorists, known and loved by thousands of newspaper readers, passed away today.

He was ill two weeks from pneumonia. He kept up his column as long as he had strength to continue, the last appearance of his work being on Tuesday.

Foresters Initiate Class Of 40 Tonight

Glen Eagle Lodge, No. 261, Foresters of America, tonight will initiate a class of forty into their order which was established here just one week ago. The Foresters are meeting in the I. O. O. F. hall at 111-A East Broadway for the present. E. O. Kiefer is chief ranger.

Paul Brown To Talk At Sunrise Services

Paul Brown, president of the Christian Endeavor societies, has been secured as speaker for the Easter sunrise services to be held on the hilltop at the head of Louise street. Folks who have ever heard him speak will agree that it is worth the expenditure of a great deal of effort to hear him again. A splendid song service is being arranged under the direction of Dr. Joseph Marple, also beautiful vocal and instrumental solos.

Would Take Secret Divorces From File

SACRAMENTO—The Chamberlin measure taking divorces from the secret file of the superior courts was approved by the senate judiciary committee. The measure makes public property all divorce papers filed in the superior court.

Girl Is Attacked At P. E. Station; Man To Rescue; Film Spoilt

He was almost a hero.

She was being choked.

It looked like a terrible tragedy at the Pacific Electric station this morning. So what could the poor fellow do but rush to her rescue?

Here's how it happened:

James Horne and his film company were making a few scenes for "Illustrated American Humor from Judge." Fred Mitzoris, the villain, was choking Anna Law. To add realism to the idea, she screamed and a husky man who walked into the crowd of onlookers thought it was the "real thing."

Evidently he hadn't spied the camera or wasn't wise to such occurrences in the vicinity of Glendale where many pictures are made.

At any rate he stepped into the picture, grabbed Mitzoris, ordered the fight stopped and spoiled several hundred feet of film before the director could convince him that it was only the "reel thing" and Miss Law didn't mind being choked in the least for her weekly pay check.

Candy Kids There

Free candy for the kiddies at Roberts & Echols drug store this morning attracted a "reg'lar mob" of youngsters.

All of the Easter eggs and chocolate-coated rabbits and pink and white chicks that were gobbled up by the boys and girls would come near stocking a poultry farm.

As early as 7 o'clock when the store opened, the youngsters were on hand for the 9 o'clock rush to the candy counter. At 8 o'clock the line of children reached nearly a block and by noon more than 1500 sacks of sweets had been passed out.

It is anticipated that 2000 little ones will have enjoyed the event before 4 o'clock this afternoon.

ST. PATRICK DAY DANCE IS GIVEN

MISS RUTH RYAN IS HOSTESS TO NUMBER OF FRIENDS AT CHARMING AFFAIR

A very charming St. Patrick's dance was given Thursday night in the K. P. hall by Miss Ruth Ryan to about fifty of her friends. Programs and decorations carried out the motif of the day. Green balloons and crepe paper streamers were used, and green punch was served. Miss Ryan was assisted by her mother, Mrs. H. Ryan.

Guests included Miss Ruth Spafford, Miss Almena Bullock, Miss Mildred McKee, Miss Irene Anderson, Miss Aileen Sullivan, Miss Lilly Schick, Miss Betty Friedborg, Miss Isabel Yates, Miss Louise Hester, Miss Esther Besant, Miss Marjorie Gunion, Miss Mildred Williams, Miss Blanche Pilmer, Miss Helen Denney, Miss Muriel Theobald, Miss Delia Young, Miss Minola Budd, Miss Louise Storer, Miss Reba Richardson, Irvin Bullock, Joe Webster, Jerry Halcomb, Francis Gordon, Al Sullivan, Bob Sullivan, Francis Sullivan, Nathan Dial, Reid Harkness and Bob Robinson of Los Angeles, Will McGrady, Herbert Besant, Harold Williams, Frank Pilmer, Frank Kittinger, Ralph Willis, Merle Budd, Earl Gibbs, Harry Richardson and Loys Griswold.

Dr. J. P. Luccock And Dr. A. Goff Are Wed

Announcement is made today of the marriage of Dr. J. P. Luccock and Dr. Alphonette Goff at the home of the bride's sister in Loma Linda one week ago. Only the immediate friends of the family were present at the ceremony and the newlyweds have taken up their residence at 106 North Adams street, this city.

Mrs. Luccock is associated with the Glendale Clinical Laboratories in Dr. T. C. Young's offices, 620 East Broadway. Mr. Luccock is a dental surgeon with offices at the same address.

Execution On Scene Of Crime, Is Urged

SACRAMENTO—The execution of convicted murderers on the scene of crime would be the greatest deterrent to murder, Judge C. E. McLaughlin declared in an informal meeting of the senate prisons committee here.

The moral effect of a hanging is lost by convicted murderers being sent to a far distant prison to be hanged, said McLaughlin.

MUSIC CLUB PLANS ARE OUTLINED AT FIRST MEETING

ASSOCIATION CHARTER MEMBER TOLLS STILL OPEN; FINE PROGRAM IS PROPOSED

A very busy session of the Glendale Music club was held in the music room of the Glendale Union High school last night, it being the first meeting since the club was organized. The meeting was called to order by the president, Mrs. Mattison B. Jones. The names of forty-five applicants for active charter membership who had sent in their dues were accepted. Others who did not send their dues will have to pay their initiation fee as active members.

A motion was made that the violinist, Saslawsky, be secured for the first open meeting, which is to be two weeks from last night, and to which a general invitation is extended to all the people of Glendale who are interested in music. Gertrude Ross, composer, will also be present, and other numbers are to be arranged. This open meeting will be held in the high school auditorium, after which there will be a reception.

A. R. Shepherd was elected as auditor for the organization.

Active Members Received

Although the active charter membership is now closed, those wishing to become active members may do so upon invitation from the board and the usual dues and initiation fee. At this time it was voted that the associate charter membership be extended until the next meeting, which will be April 1. Those wishing to become associate charter members may do so by sending their names and dues to the board. After April 1 an initiation fee will be required.

Mrs. Spencer Robinson, Mrs. Dora Gibson and Miss Gertrude Champlain were appointed by Mrs. Jones to or-

(Continued on Page Six)

EAGLE ROCK WILL CONDUCT SERVICES

IMPRESSIVE EASTER TRIBUTE WILL BE PAID; REX KELLEY IS DIRECTING EVENTS

One of the largest gatherings assembled since the sunrise devotional services at Eagle Rock was inaugurated several years ago is anticipated this year. Ministers of various churches will preside. Frederick Warde, noted actor, will read "God of the Open Air." Mrs. Paula Dohrman soprano soloist, and Harold DeGrosse, baritone, will render solos. Grover Colnieus, cornetist, will give the bugle call and together with other well-known musicians will furnish the orchestra music. Services are to start at sunrise, 5:47 a. m.

This is the first of a series of events planned for the Eagle Rock Community Fortnight, of which Rex Kelley of Glendale, Y. M. C. A. secretary of the Glendale district, is executive secretary.

Increase In Foreign Trade Is Suggested

WASHINGTON, March 19. — Several members of President Harding's cabinet hold the view that the first means of relieving existing business depression is by increasing American foreign trade and, to do this, they say America must have a voice in whatever association of nations is functioning.

When news of this view held by cabinet members became known in Washington today, it greatly increased interest in the forthcoming visit of former Premier Viviani of France to discuss with Harding the possibility of getting the United States to enter a modified league of nations. Viviani sails from Europe today.

These members propose that America begin the purchase of foreign securities, invest in public utilities and other projects abroad and distribute her wealth, as Great Britain did when she reached the peak as a creditor nation.

Elks' Team To Play On Catalina Island

The Glendale Elks' baseball team left this morning for Catalina Island for a game tomorrow with the Chicago Cubs who are in winter training there. William Wrigley, Jr., owner of the island and the Chicago ball club, is defraying all of the local boys' expenses. They will return Sunday afternoon.

Locals And Personals

Dr. and Mrs. P. S. Kellogg will reoccupy their home at 614 North Louise street Monday, March 21.

Mrs. J. L. Gray of 533 North Isabel street is making a short visit with friends at Santa Maria, California.

Mrs. E. E. Williams of San Diego is a guest at the home of her son-in-law and daughter, Mr. and Mrs. Walter Jones of 310 West Hawthorne street.

Glendale residents, formerly of Mitchell, S. D., are planning to attend a picnic at the auditorium at Long Beach March 22. Other South Dakota people will be welcome.

Miss Cleo Killinger of Fort Worth, Texas, an old-time friend of Mrs. W. E. Heald of 308 East Lomita avenue, is spending the week-end with the family. She is very much attracted by Glendale and southern California.

Mrs. H. Blumenthal of 722 North Central avenue and brother, George Ogle, of Springfield, Ohio, spent Wednesday and Thursday at Catalina. Mr. Ogle is leaving for his home in Ohio Sunday.

The appointment of V. A. Nyman as assistant manager of the Glendale avenue branch of the Los Angeles Trust and Savings bank was announced yesterday by Jay Spence, vice-president and cashier.

P. J. Priaulx of 128 West Park avenue is touring the coast on a business trip, including as far north as Paso Robles. Mrs. P. J. Priaulx has as her guests for several days her mother and sister, Mrs. W. H. Daniels and Miss Fay Daniels of Los Angeles.

Mr. and Mrs. John W. Garner of 600 North Louise street were the host and hostess at a dinner party Thursday evening. Covers were laid for Mr. and Mrs. Walter Davis and son Kenneth, Dr. and Mrs. E. H. Parker, Mrs. Rose Humphrey, John Garner, Jr., and Mr. and Mrs. Garner.

Dr. M. B. Ketchum, founder of the Los Angeles School of Ophthalmology and Optometry, has purchased a home on West Lexington drive and will soon occupy the same. He has already ordered the Glendale Evening News so as to keep in touch with the activities in Glendale.

F. L. Fox, of the Fox-Woodsum Lumber company, and W. A. Tanner, of the Buick agency, accompanied by their friends, James Carr and John L. May of Lexington, Nebraska, enjoyed a motor trip to Whittier, Anaheim and other points in Orange and Los Angeles counties. J. L. May's brother, Will May, has the Nash agency for Orange county.

Mrs. Clark T. Christy entertained for Miss Marion Addison at the home of her mother, Mrs. Charles P. Brice, 304 North Kenwood street, last evening. Invited guests included Miss Marion Addison, Miss Christian, Miss Thomas, Leone Brice, Eleanor Brice and Mrs. Clark Christy. Miss Eleanor Brice and brother Elmo are home from boarding school in Hollywood for over the week-end.

Mrs. Alfred F. Priest of 1422 North Central avenue was hostess yesterday to the members of the Foothill club. Decorations of sweet peas and ferns and other spring flowers were used in the dining and living rooms. The entertainment of the afternoon consisted of the making of Easter bonnets. Prize for the most artistic bonnet was awarded to Mrs. Elliott B. Wyman. Special guest for the afternoon was Mrs. Louise Dresser Gardner. Refreshments were served.

Mrs. Ina Randolph of 416 North Jackson street entertained with a St. Patrick's dinner last night in celebration of her daughter Mildred's 11th birthday. The color scheme of green and white was carried out in the decorations. As favors little Easter baskets were given the children. The guests were Garnet Lord, Virginia Buriff, Mary Frances Schwerin, Jesse Brown and Mildred Fife.

Muench Recovering From Crash Injuries

G. Muench, an employe of the county forestry department who received a fractured skull, dislocated right arm and other injuries when knocked from his motorcycle in La Canada three days ago, is reported easier today at the Glendale Sanitarium and Hospital.

Pres. Harding Says:

"Perhaps I shall best express my opinion of the value of life insurance when I tell you that I took out my first policy as a youth of nineteen and have been taking new policies ever since that time until four years ago. I have found them a pretty heavy burden upon my resources at times, particularly in my earlier years, but I have always found them to be very comforting possessions, and if I had my life to live over again, I would seek to take more rather than less."

Our new President is surely sound on SOME things, "I'll tell the world."

JAMES W. FOLEY PROGRAM PLEASES

DELIGHTFUL ENTERTAINMENT IS GIVEN IN BEHALF OF TUESDAY CLUB

The James W. Foley entertainment given by the literary section of the Tuesday Afternoon club in the Masonic Temple last night was attended by over 200 people and was a decided success.

Some of the poems which Mr. Foley read were "Chums," "Somebody Did It," "The Yanks," and many others just as humorous and beautiful. He closed the evening's entertainment with "The Tale of the Trail."

As a prelude to the evening's entertainment Mrs. A. M. Williams, curator of the literary section, introduced Miss H. Mae Smith, recently of Ontario, Canada, who gave three piano numbers: Minuet a l'Antique (Paderewski), Canzonetta (Schuett) and Waltz in D Flat (Chopin.)

Mrs. A. M. Williams then charmingly presented the audience to Mr. Foley, whom she said needed no introduction. The audience was a most receptive one and the applause was spontaneous.

J. Herbert Smith Is Home From Trip

Mr. and Mrs. J. Herbert Smith have returned to their home here after a week's motor trip to San Francisco and return. The outbound trip was made through the San Joaquin valley and coming home they visited coast points. While in San Francisco Mr. Smith was the special guest of the Retail Grocers' Association of San Francisco at a banquet held in the Merchants' Exchange which is within a few feet of the place where the original San Francisco Grocers' association was organized. He reports that the weather was fine excepting for a rainstorm at San Jose last Sunday.

"Goods are sold cheaper in this vicinity than up north," Mr. Smith commented, as he made inquiries about the retail business in the Bay district.

Lubriko Agency At Monarch Supply Co.

The Monarch Auto Supply company has taken the first agency in southern California for "Lubriko," a new grease, which is said to answer all purposes for motor car lubrication and lasts from 15,000 to 20,000 miles at one filling.

In speaking of this lubricant H. M. Butts, of the Monarch company, said that he was honored with the agency by R. S. Person a new arrival in Glendale, who is one of the directors of the corporation which makes the grease.

"It will do everything advertised," Mr. Butts states, which is about the strongest recommendation possible for a new line at the Monarch store.

Mass Meeting To Be Held Tuesday Night

Mass meeting to discuss the proposed bond issues and the suggested financial policy of the municipal water department will be held under the auspices of the West Glendale Protective league in the high school auditorium next Tuesday night at 7:45 o'clock.

Dwight Stephenson, president of the Board of City Trustees, and T. W. Watson, city manager, will be among the speakers. A number of questions will be asked them.

There will be music and other features on the program. Miss Isabel Barrett, president of the league will preside. The public generally is invited to attend and learn about the issues to be voted upon March 29.

ALLIES MAY OCCUPY ESSEN

BERLIN, March 19.—Occupation of Essen, home of the great Krupp works, will be the next objective of the allied advance into Germany, according to the belief expressed in army circles here today.

BOXING BOUTS FOR AMERICAN LEGION GAIN PRAISE

ENTERTAINMENT IS DECLARED SUCCESS AND OTHERS TO BE HELD, IS PLANNED

After Dwight Stephenson, president of the Board of City Trustees, termed last night's boxing show at the American Legion as the "finest entertainment of its kind in 'chemically pure' Glendale" the Legionnaires unanimously voted for more of the same kind of programs.

It was the first time in the history of the town, it is believed, that a boxing exhibition has been staged and it proved a great success from every standpoint. Buron Fitts, state commander of the Legion, was unable to be present on account of sickness and a three-piece orchestra, composed of R. D. Crawford, saxophone; Dolliver Webb, piano, and Eddie Moniot, banjo, kept the boys livened up until the scrappers climbed into squared ring the three for a trio of three two-minute round, no decision events.

Captain Kelly Announces

Captain W. B. Kelley acted as announcer and Al Durant of San Fernando refereed the matches. The first was Young Kendig of Burbank and Kid Hodge of San Fernando at 118 pounds. The Burbank boy is a comer and proved a heavy hitter, but showed his inexperience at the game by open boxing which laid him open to some swift jaw jolts delivered by Hodge. The first and second rounds were fairly even with Hodge the little more aggressive, but in the third Kendig started slugging in great shape and both of the boys landed on the floor in a clinch as the last gong rang.

Kid Meyers of Glendale and Battling McCrary of Burbank were next to try their mitts and in the easy exhibition which followed, Meyers seemed to have the edge on his opponent during the first two rounds although he was considerably outreached and outweighed. In the last two-minute twirl the fight got real classy and both boys showed some clever tricks, McCrary getting in some telling blows.

Tells Original Story

Joe Griffin provided an interlude by telling an original story of "The Fight Framed to Win." He received a hearty encore for the dramatic little sketch.

In the final event, Johnny Meyers and Walter Dodge, both of Glendale, stepped into the ring at 145 pounds, Dodge taking the aggressive for a few seconds. However, he was punished hard and in the second round after a bit of good mixing he received a hard right to the nose which made him more wary of Meyers. In the closing round Meyers hit Dodge about twice as many times and twice as hard, but at the finish they were both fighting hard.

All of the bouts were clean and the silver showers which followed each showed that the fighters' efforts were appreciated.

Boxing Match in Burbank

M. O. Sparrow, adjutant of the Burbank post, No. 151, spoke and invited the Glendale Legion members to attend a boxing match in that city on April 12. It also announced that the Glendale post would have a good program prepared for next Friday night.

Arthur Scrivner, commander of the Tujunga post, made a brief speech, telling of their organization "up in the sticks." He stated that they soon would have funds sufficient to build a clubhouse and equip a rifle range. However, they plan on bringing candidates for initiation to Glendale for the ceremony.

A whole host of former service men told stories and then sandwiches, doughnuts and coffee were served, closing the evening's entertainment.

Peace Treaty Signed By Trio Of Powers

RIGA, March 19.—The peace treaty involving Russia, Poland and Ukrainia was signed here shortly before midnight.

The delegates affixed their signatures after months of negotiations. The pact provides that ratification must be made by the three governments within thirty days.

The treaty establishes the frontiers between the signatory countries along the present line of demarcation, but makes allowance for cession of three thousand square kilometers near Minsk to Poland and the Polesian district of Ukrainia.

Provision is made for abstinence from all propaganda, while Russia must return to Poland all war trophies and archives seized since the eighteenth century. Poland is released from all debts contracted by czarist Russia. Ukrainia and Russia undertake to pay Poland thirty million rubles within a year.

The Mexican department of agriculture is encouraging the development of irrigation throughout Mexico, aiding in the installation of hydraulic machinery and in the drilling of artesian wells. Fish hatcheries are also being built in Monterey, Zacatecas, Durango, Aguascalientes and Lower California.

Central League In Track Meet Today

The Central High School League track and field day is being held at Alhambra today. Glendale Union High school has two teams entered, one of unlimited weight and the other of 120-pounders. Pennants are offered for the winner in each class and Coaches Normal C. Hayhurst and Alfred W. Cookman expect to see the Glendale lads win.

Thursday afternoon the Glendale baseball team met defeat in their first league game with Franklin high, the diamond being in poor shape and pitchers on both sides being easy with the scoring finally stopping at 15 to 10. "Lefty" Herman of the local nine knocked out one of the longest home runs ever seen in a prep school game.

J. W. M. BURTON'S AUTO DESTROYED

REAL ESTATE MAN'S CAR IS BURNED; SEEKS ANOTHER FOR EASTERN TRIP

J. W. M. Burton, of the firm of Burton & Chandler, realtors lost his big Franklin touring car by fire one afternoon this week while he was at Montrose.

In addition the original cost of the hickory and aluminum bodied machine, $482 invested in a complete overhauling went up in smoke as the car was practically a cinder after the blaze which Mr. Burton believes was caused by a short circuit under the running board.

It had been Mr. Burton's intention to drive this car from California to Asheville, N. C., this summer,—a trip which he and Mrs. Burton had planned for several years. However, he is advertising for another car with which to cross the country.

YOUTH READY FOR TRIAL AS SLAYER

CONFESSES PART IN KILLING AND DECLARES HE WILL 'TAKE HIS MEDICINE'

LOS ANGELES, March 19.—Samuel Purpera, 17, who has confessed his part in the murder of W. W. Sly and George Fanner in a $4200 Cleveland payroll robbery, declared in the city jail today he is prepared to return to the Ohio city to "take his medicine," but he protested strenuously against James Reynolds, also 17, being taken back with him. Reynolds was with Purpera when the latter was captured here.

"The kid," said Purpera, referring to Reynolds, "had nothing to do with the Cleveland job. I met him here. He was hungry and broke and I fed him."

Officers had extradition papers for Reynolds, but they had not decided whether to take him also. When the two were arrested they were riding in an automobile reported to have been stolen in San Francisco.

College Boys Admit Taking Bright Lights

To make their rooms brighter by night at Occidental college, two students there are said by the Glendale police to have admitted taking two powerful globes from the Standard Oil filling station on East Broadway early this morning.

According to their story their names are Herbert Hamilton and Jesse Hess. They stopped at the filling station to obtain water for the large touring car which they were driving and finding the service shut off for the night, they took the two lights.

John Scales, plain-clothes man, and Officer A. W. Kermode were riding home on the latter's motorcycle when a flat tire caused them to stop and the boys were questioned on suspicion. They told a very frank story and will be arraigned Monday afternoon at 3 o'clock before City Recorder F. H. Lowe.

Dancing Party Given To Number Friends

Mr. and Mrs. George H. Herald and Mr. and Mrs. James H. Dancy entertained with a dancing party last night at the home of the former, 118 West Windsor Road. Bouquets of marigolds were used about the rooms. The guests were Mr. and Mrs. Bert Ward, Mr. and Mrs. Walter Jones and Mr. and Mrs. J. F. Thompson of Glendale, Mr. and Mrs. Snyder, Mr. and Mrs. Jack Sweet and Mr. and Mrs. Jesse Colby of Los Angeles and Mr. and Mrs. Ed Colby of Hermosa Beach. Refreshments were served, table decorations were of green and white.

CUT RADIO GUY WIRES

C. E. Weaver of 145 North Kenwood street reported to the police today that someone last night cut the guy wires holding one of his radio poles at the rear of his home.

What Finished Family Service Means

Our family service includes everything that is washable. The dainty crepes and silks and laces, the woolen blankets and baby's clothes, the table and bed linen, the colored ginghams and lawns and the badly soiled garments.

These things are carefully classified when your bundle comes in and each is washed by a process that will best preserve the color and fabric of the garment. Years of experience has taught us how to do this satisfactorily to you.

You have only to phone us to have one of our drivers call for your bundle.

Whittier Greets C. E. Delegates From Here

WHITTIER, March 19.—(Special to Glendale Evening News)—A delegation of 50 Glendale young people who are attending the County Christian Endeavor convention here today were well received while Howard Brown and his committees got busy tagging everyone present with miniature sombreros reminding them of the state convention in this city June 25 to 29.

At the Gendale booth advance registrations are being made for accommodations during convention week here and an immense banner hanging from the balcony in the church announces the event.

Whittier is prettily decorated with convention colors, streamers being hung from the lamp posts and the stores carry out the scheme in their window display. A very interesting morning session was held and tonight Rev. W. E. Edmonds of this city is the principal speaker.

Thirty-six railroads failed to earn their operating expenses and 28 did not earn their taxes during the month of January, 1921.

Riverside Officials Visit At City Hall

G. W. Prior auditor; G. L. Packard and C. B. Burns of the water department and the Misses Goodman and Cooper, book-keepers, all of the Riverside public service department, were visitors at the Glendale City hall this morning inspecting the work of the commercial department with a view of installing a similar bookkeeping system in their offices.

Notice of Sale of Street Railway Franchise

OFFICE OF THE CITY CLERK OF THE CITY OF GLENDALE, CALIFORNIA.

TO WHOM IT MAY CONCERN:

NOTICE IS HEREBY GIVEN, that an application has been made to the Board of Trustees of the City of Glendale for a certain franchise granting the right to construct, and for a period to terminate November 4th, 1963, to operate and maintain a street railway using electricity or other motive power except steam upon, across and along certain streets of said City of Glendale, together with certain appurtenant and incident rights hereinafter mentioned.

It is hereby proposed by said Board of Trustees of said City of Glendale to offer for sale, and to grant to the highest bidder, the said franchise upon the terms and conditions herein contained. The said franchise is described as follows, to-wit: a franchise to construct, and for a period to terminate November 4th, 1963, and as hereinafter provided, to maintain and operate, a street railway, using electricity or other motive power except steam, over, along and across those portions of the railway line as now constructed and operated by the Glendale & Montrose Railway Company, a corporation, over and across the public streets in the City of Glendale, said line being generally described as follows, to-wit:

Commencing at the intersection of Brand Boulevard and Broadway; thence Easterly along Broadway to the intersection of Broadway and Glendale Avenue; thence Northerly along and across Glendale Avenue, Verdugo Road and Canada Boulevard; thence to, along and across Verdugo Canyon Road and Ocean View Boulevard to the Northerly city limits; and also commencing at the intersection of Glendale Avenue and Wilson Avenue; thence Easterly along Wilson Avenue, Eagle Rock Road and Broadway, to the Easterly city limits together with the right to construct curves, switches and spur tracks into private property; also connections at street intersections, and all other appliances, property, structures and attachments that may be necessary or proper, for the purpose of operating said road and enabling it to be as effective as the best railway operated by electricity or other motive power except steam; provided, however, that no spur track into private property shall be built within One Thousand (1000) feet of any spur track already constructed under said franchise, without first securing the proper consent of the Board of Trustees of the City of Glendale. That the terms and conditions upon which said franchise will be offered for sale, are the following:

That the railway to be constructed and operated under said franchise shall be used for the transportation of passengers, baggage, United States mail, express matter, and such other commodities as can be conveniently handled by an electric railway, provided that cars other than closed ones, of a neat and attractive design, shall only be conveyed over said road between the hours of nine o'clock P. M. of each day and six o'clock A. M. of the following day; except hauling such material as is used in the construction and reconstruction of such railways.

That said the grantee of said franchise and its assigns, shall use good material in the construction of said road, and said road shall be built in a good and workmanlike manner, and that said grantee and its assigns, shall, at its or their own cost and expense, oil and re-oil, pave or macadamize the said road between the rails, between the tracks and for two (2) feet on each side thereof, with the same material used by the City, and under the same specifications and in the same manner as upon the streets over which said roads are respectively, and shall keep the same constantly so paved or macadamized and in repair flush with said streets, and provided with suitable crossings, and shall make the roadbed conform at all times to the established grade of said streets; provided, however, that where any of the above named streets have been graded or otherwise improved prior to the granting of said franchise, said roadbed and rails shall conform to and be flush with the surface of said graded or otherwise improved street or streets, whether such surface be above or below the official grade of said street or streets, and on all other street or streets, the said roadbed and rails shall conform to such official grade as aforesaid.

In case the said grantee and its assigns, shall fail to comply with the instructions given for said repairs for ten days after service of notice thereof upon the superintendent or manager of said grantee, then the Board of Trustees of the City of Glendale, may, with suitable assistance, enter upon said railway, or any portion thereof, and do the work, and furnish the proper material, and keep an itemized account of the cost thereof, which said grantee and its assigns, by the acceptance of this franchise, agrees to pay immediately to the Treasurer of the City of Glendale upon the presentation of the account to the superintendent or manager of said railway.

Provided further, that cars shall be run over the road constructed under said franchise every day, unless prevented by the elements, riots, strikes or unavoidable causes; provided, also, that cars shall be run over and upon said road at intervals of not more than one (1) hour from seven o'clock A. M. until ten (10) o'clock P. M. of each day, and as much oftener as may be necessary to properly accommodate all persons who apply for transportation over said road, except in times of extraordinary and unforeseen amounts of travel, and provided that the Board of Trustees may authorize a less number of trips if the amount of travel does not warrant the above number of trips, and provided further, that said grantee, and its assigns, shall have the right to excavate and remove portions of said streets necessary to properly construct said road, and to erect needful apparatus, boilers, engines and other appliances to properly equip and run said road; provided further, that the City of Glendale in granting said franchise, expressly reserves the right to pave, macadamize, renew or sewer any of said streets, or to lay gas, water or other pipes therein, said work to be done so as to injure said road as little as possible.

It is further provided that said grantee and its assigns, shall construct all necessary flumes and culverts for the free passage of water under the tracks of said Railway whenever and wherever necessary, and that all of such flumes and culverts shall be constructed in accordance with the plans and specifications approved by the City Engineer and wherever required by said City of Glendale.

That the said grantee and its assigns, shall and will, at all times upon and after the completion of said road, during the operation of the same, and without extra charge, issue and receive from passengers going in one direction, transfers good for one continuous passage over and upon any and every other line and lines or any other road or roads to any points within the said City, which said grantee and its assigns, does now or may hereafter own, control, operate or have a controlling interest in; and provided, as a further condition, that said grantee, and its assigns, shall and will at all times as aforesaid, issue or cause to be issued to said passengers without extra charge, a similar transfer from any and every line or lines which said grantee and its assigns, does now or may hereafter own, control, operate or have a controlling interest in, within said City of Glendale, as aforesaid, to, over and upon the road operated and maintained under said franchise within the city limits of the City of Glendale; and provided further, that such transfers shall be given and received as above provided over and upon all such roads within the city limits of the City of Glendale, whether operated under a franchise granted by said City, or over and upon private right of ways owned or occupied by said roads within the city limits of the City of Glendale.

That the rates of fare to be charged by the grantee shall not exceed the rates fixed by the Body, Board or Commission having authority to fix such rates.

The said grantee and its assigns, shall carry free on said cars, the City Marshall or Chief of Police and deputies, and all regular police officers and firemen of said city, when on duty, and letter carriers, subject at all times to the rules of the road.

That the said grantee and its assigns, shall, during the life of the said franchise, pay to the City of Glendale, in lawful money of the United States, two per cent of the gross annual receipts of said grantee and its assigns, arising from the use, operation or possession of said franchise. No percentage shall be paid for the first five years succeeeding the date of the franchise, but thereafter such percentage shall be payable annually, and said franchise is to be forfeited by a failure to make the payments provided for, and it shall be the duty of the grantee of said franchise, and its assigns, to file with the City Clerk of the City of Glendale at the expiration of six years from the date of granting said franchise, and at the expiration of each and every year thereafter, a statement verified by the oath of the said grantee, or its assigns, or by the oath of the manager or presiding officer of said grantee, or its assigns, showing the total gross receipts and gross earnings collected or received by the said grantee, or its assigns, during the preceding twelve months, and within ten days after the time for filing such statement, it shall be the duty of said grantee or its assigns, to pay to the City Treasurer of said City of Glendale, the aggregate sum of said percentage upon the gross annual receipts arising from the use, operation or possession of said franchise.

That all poles used in the construction and operation of said electric road, shall be placed within the curb line of the streets herein designated as officially established by the Board of Trustees of the City of Glendale, and the outer edge of the poles shall in all cases be set as near the inner edge of the curb as practicable, when not otherwise directed by said Board of Trustees, and the wires suspended from said poles, shall not at any point be less than twenty-two (22) feet above the top of the rail. All poles shall be of tubular steel or of suitable wood, of a size and kind such as are ordinarily used for similar purposes in the State of California, and shall at all times be kept free from rust and painted in a uniform color; that wherever said railway is double tracked, then the tracks shall be placed thirteen (13) feet from the center line to center line, and in case of a single track shall be located as directed by the Board of City Trustees of the City of Glendale.

That any neglect, failure or refusal to comply with any of the conditions of said franchise, after thirty days' notice given by the Board of Trustees of the City of Glendale, shall thereupon immediately, ipso facto, effect a forfeiture thereof, and the said City, by its Board of Trustees, may thereupon declare said franchise forfeited, and may exclude said grantee, or its assigns, from further use of the streets of said City under said franchise, and said grantee or its assigns, shall thereupon and immediately, surrender all rights in and to the same, and the said franchise shall be deemed and shall remain null, void and of no effect.

NOTICE IS ALSO HEREBY GIVEN, that sealed bids in writing will be received for said franchise by the City Clerk of said City of Glendale up to eight o'clock P. M. of the 14th day of April, 1921. At the day and hour last mentioned, the City Clerk will, in open session, examine and publicly declare the same, and each bid shall be accompanied by a cash deposit of the amount of the bid, or a certified check for said amount, payable to the City Treasurer of the City of Glendale, certified to by some responsible Bank as a guarantee of good faith by the bidder; provided, however, that if in the judgment of the Board of Trustees, no adequate or responsible bid has been made, the Board of Trustees may withdraw said franchise from sale, or advertise for new bids. That at the time for opening said bids, any responsible person, firm or corporation, present or represented, may bid for such franchise a sum not less than ten per cent above the highest sealed bid therefor, and that said bid so made may be raised not less than ten per cent by any other responsible bidder, and such bidding may thereafter continue until finally said who must before such award is made deposit with the clerk at least ten per cent of the amount of his bid. Upon the franchise being awarded, all deposits made by unsuccessful bidders shall be returned.

franchise shall be struck off, sold and awarded by said Board of Trustees to the highest bidder therefor,

NOTICE IS ALSO HEREBY GIVEN, that the grantee of such franchise must, within five (5) days after the awarding of such franchise, file with the City Clerk of said City, a bond running to the said City in the penal sum of One Thousand ($1000.00) Dollars, with at least two good and sufficient sureties, or a bond in said amount furnished by a responsible surety company, to be approved by the Board of Trustees, conditioned that such bidder shall well and truly observe, fulfill and perform each and every term and condition of said franchise, and that in case of any breach of the conditions of such bond, the whole amount of the penal sum therein named, shall be taken and deemed to be liquidated damages, and shall be recoverable from the principal and sureties upon such bond. If such bond is not so filed, the award of said franchise shall be set aside, and in the discretion of said Board of Trustees, the said franchise may be re-advertised, and again offered for sale in the same manner and under the same restrictions as hereinabove provided, and the amount deposited by such bidder with his bid, shall be forfeited to the City as liquidated damages. The Board of Trustees hereby expressly reserves the right to reject any and all, or any or all bids for said franchise.

J. C. SHERER,
City Clerk.

163t10

ORDINANCE NO. 431

AN ORDINANCE OF THE CITY OF GLENDALE DECLARING THE INTENTION OF THE BOARD OF TRUSTEES OF SAID CITY TO CALL AN ELECTION IN THAT PART OF THE CITY OF GLENDALE CONTAINED WITHIN THE BOUNDARIES OF A PROPOSED MUNICIPAL IMPROVEMENT DISTRICT, TO BE KNOWN AS "MUNICIPAL IMPROVEMENT DISTRICT NO. 4 OF THE CITY OF GLENDALE," FOR THE PURPOSE OF SUBMITTING TO THE QUALIFIED ELECTORS OF SAID DISTRICT THE PROPOSITION OF AUTHORIZING THE ISSUANCE AND SALE OF BONDS OF SUCH DISTRICT.

WHEREAS, A petition was filed in the office of the City Clerk of the City of Glendale on the 3rd day of March, 1921, requesting that proceedings be taken in pursuance of an Act of the Legislature of the State of California, entitled, "An Act to Provide for the Formation of Districts within Municipalities, for the Acquisition or Construction of Public Improvements, Works and Public Utilities, for the Issuance, Sale and Payment of Bonds of such District to meet the Cost of such Improvements, and for the Acquisition or Construction of such Improvements," approved April 20th, 1915, and amendments thereof, for the purpose of acquiring and constructing works for distributing and supplying water to the inhabitants of such district, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus and all other property, and the constructing of mains, conduits and other works necessary for such purpose, and

WHEREAS, It appears and is hereby found that said petition is signed by not less than ten (10) per cent of the qualified electors residing in the territory which is proposed to be formed into the said Municipal Improvement District, and

WHEREAS, The public interest and necessity require that proceedings be taken as requested in said petition;

NOW THEREFORE, The Board of Trustees of the City of Glendale do ordain as follows:

SECTION 1. That it is the intention of the Board of Trustees of the City of Glendale to call an election in that certain proposed Municipal Improvement District having boundaries as hereinafter described, or as may be changed in the manner provided in the aforesaid Act, for the purpose of submitting to the qualified electors of said District the proposition of authorizing the issuance and sale of bonds of such district in the manner prescribed in said Act, approved April 20th, 1915, and amendments thereof, for the purpose of acquiring and constructing works for distributing and supplying water to the inhabitants of such District, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus and all other property, and the constructing of mains, conduits and other works necessary for such purpose.

SECTION 2. That the exterior boundaries of the proposed Municipal Improvement District to be known as Municipal Improvement District No. 4 of the City of Glendale, are bounded and described as follows, to-wit:

Beginning at a point where the northerly Right of Way line of the Pacific Electric Railway is intersected by the Southerly prolongation of the Easterly line of Lot 10 of the Hunter Subdivision of a part of the Rancho San Rafael as per Map of same recorded in Book 5, Page 395 of Miscellaneous Records of Los Angeles County, California; thence northerly along said southerly prolongation of the easterly line of said Lot 10 and along the easterly lines of Lots 10 and 7 of said Hunter Subdivision and the Northerly prolongation of said Easterly line of said Lot 7 to a line drawn 30 feet northerly from and parallel with the Northerly line of said Lot 7 of said Hunter Subdivision; thence Westerly along said line so drawn 30 feet Northerly from and parallel with the Northerly lines of Lots 7 and 8 of said Hunter Subdivision to the Southerly prolongation of the center line of Grand View Avenue; thence Northerly along said Southerly prolongation of said center line of Grand View Avenue and the center line of said Grand View Avenue to the center line of Mountain Street; thence northwesterly along said center line of Mountain Street to its intersection with the westerly boundary line of the City of Glendale; thence southwesterly southeasterly, southwesterly, southeasterly, northeasterly and southeasterly following the various courses of the westerly boundary line of the City of Glendale to a point on said westerly boundary line seven hundred and fifty (750) feet northwesterly measured thereon from the northwesterly line of Tract No. 646, as per map recorded in Book 15, Pages 162 and 163 of Maps, Records of aforementioned County; thence northeasterly in a direct line to the point of beginning.

That the proposed improvement in said District is the acquisition and construction of works for distributing and supplying water to the inhabitants of such District, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus and all other property, and the constructing of mains, conduits and other works necessary for such purpose; that the estimated cost of said proposed improvement is Twenty-nine thousand, five hundred dollars ($29,500.00) and the estimated amount of the incidental expenses in connection with said improvement is Five Hundred Dollars ($500.00.)

That on the 26th day of April, 1921, an election will be called in said District for the purpose of submitting to the qualified voters thereof the proposition of incurring indebtedness by the issuance of bonds of such district to pay the cost and expenses of said proposed improvements;

That a map showing the exterior boundaries of said District with relation to the territory immediately contiguous thereto, and a general description of the proposed improvement are on file in the office of the City Clerk of the City of Glendale; which said map shall govern for all details as to the extent of the said district.

That the 31st day of March, 1921, at 8 o'clock p. m. in the Council Chamber at the City Hall, in the City of Glendale (that being the place where the regular meetings of the Board of Trustees of the City of Glendale are held), is hereby fixed as the date, hour, and place for the hearing of protests which shall be in writing, and filed with the Clerk of said Board of Trustees at or before said time of hearing, as provided for by said Act, approved April 20th, 1915.

SECTION 3. The City Clerk shall certify the passage of this ordinance by the Board of Trustees of said City, and cause the same to be published once a day for six days in the Glendale Evening News, a daily newspaper, printed, published and circulated in the City of Glendale and in said district.

DWIGHT W. STEPHENSON,
President of the Board of Trustees of the City of Glendale.
Attest: J. C. SHERER, City Clerk of the City of Glendale.

STATE OF CALIFORNIA, COUNTY OF LOS ANGELES, CITY OF GLENDALE—SS.

I, J. C. Sherer, City Clerk of the City of Glendale, do hereby certify that the whole number of members of the Board of Trustees is five (5), and that the foregoing ordinance was passed and adopted by the said Board of Trustees and approved by the president of said Board at a regular meeting thereof held on the 17th day of March, 1921.

In Witness Whereof, I have hereunto set my hand and official seal of the City of Glendale this, the 17th day of March, 1921.

J. C. SHERER,
City Clerk of the City of Glendale.

Kills Man In Cell Of Jail, Is Charge

STOCKTON, March 19.—Investigation was being made today of one of the most brutal murders ever committed here. Mike Crimmins, 60, a carpenter of Stockton, is charged with having killed Amos McOscar in a cell at the city jail last night. McOscar's face had been kicked and beaten into an unrecognizable mass and his chest crushed in by being jumped on. The crime was discovered shortly before midnight, although it was committed about 6 o'clock, according to other inmates.

The men had been arrested during the day. Statements by two other men arrested with Crimmins said the trio had been drinking denatured alcohol in a local park.

Crimmins says McOscar called him a vile name, but that his brain was so dulled by the effects of the alcohol that he remembers little of what happened. Witnesses say the crazed man continued to jump on and kick the murder victim for at least fifteen minutes.

A FULL DAY AT 82

One of Omaha's young women who celebrated her eightieth birthday some two years ago casually remarked to a middle-aged friend of perhaps 40, as they were enjoying a D. A. R. celebration the other day: "I went to a church committee meeting this morning, lunched with a friend at noon, came to this delightful entertainment this afternoon, and now shall go home and do a little ironing that I prepared for before I left, help about the dinner, and I may go to that concert this evening, I am so anxious to hear Homer sing."

It is estimated the world wheat surplus is 170,000,000 bushels.

TEACHER of band and orchestra instruments; mandolin and guitar; anyone wishing instruction call R. E. Bach, Glendale 2216-R.

Rev. C. M. Calderwood Talks To Brotherhood

Rev. C. M. Calderwood delivered a very interesting address before the Methodist Episcopal Brotherhood last night. He contrasted present conditions with the past, showing how much more humane, more considerate, how much more better living conditions are every way than in the 'good old past."

A motion was adopted protesting against the Bodaracca bill, which, it was declared, will weaken the Volstead law. The bill has passed the assembly and the secretary was instructed to write Senator Carr to vigorously oppose it in the senate.

A rising vote of thanks was tendered Mr. Calderwood for his splendid address.

MAY SUCCEED BONAR LAW

LONDON, March 19.—Austen Chamberlain, chancellor of the exchequer, was being mentioned in political circles today as the probable successor of Andrew Bonar Law, who has resigned as spokesman for the coalition government. His designation for that position was said to be contingent only upon his wishes.

Endorsement Given Trustee Candidates

The following endorsements of candidates for school trustee were brought to The Evening News with a request they be published:

We, the undersigned ex-service men of the city of Glendale, recognizing in Dr. Harry V. Brown a competent business man, a man of high honor and dignity, and of substantial judgment, do hereby most heartily endorse him as a member of the board of trustees of Glendale Union High school.

Emil O. Kiefer, 305 East Broadway.
James F. McBryde, 103A North Brand boulevard.

Pill Bottle Proves Complete Success

A good-sized audience attended the play given by the young peope of the Baptist church last night. The four-act demonstration of medical missions was well presented by the young people, and every one was loud in their praise of the splendid way in which each one depicted his or her part. The play is a very beautiful story of a young college graduate giving her life to help the outcasts of India, not only in the curing of their bodies, but also of their sin-sick souls.

Miss Margaret McPherson took the leading part, supported by a large number of efficient helpers. Many wet eyes were seen in the audience, expressing more than words could, how vividly the message of the play was presented by those taking part. Ernest Grigg, who had the matter in charge, is to be commended for his ability in bringing out so fine an entertainment.

THERE'LL BE OTHERS

"It may seem a curious request," said the young widow, "but on my husband's tombstone I should like to have inscribed 'Charles the First.'"

"Beg pardon, ma'am," returned the monument carver, "but was your husband of royal blood?"

"Oh, no, indeed. But I don't want my friends to think that just because poor Charlie died, I shall never marry again."

DISCUSS PLANS TO ASSIST FARMERS WITH CROPS

SECRETARY HOOVER AND SOME CHAMBER OF COMMERCE DIRECTORS CONFER

By CLARENCE DU BOSE
United Press Staff Correspondent

WASHINGTON, March 19.—Secretary Hoover and some of the directors of the United States chamber of commerce today discussed steps which President Harding has under consideration for aiding the American farmers. These included:

1—An embargo on importation of wool, meat, wheat and perhaps other products. The president could proclaim this under the war trade act, still in force.

2—Immediate emergency tariff legislation.

3—"Anti-dumping" legislation, to be followed by protection in the regular tariff bill.

At the same time, Hoover urged efforts to extend and increase European credits, through the war finance corporation, the so-called "hundred million dollar corporation" being organized by banking groups for foreign trade promotion, and by Edge law banks.

Hoover said selling to Europe is a necessity for relief. The United States while producing more than consumption, is the "dumping grounds" for South American, Canadian and Australian wool, meat and wheat. They do not sell to Europe for lack of credit and "dump" in the United States because this country, as one cabinet member said, has the soundest exchange in the world.

Tenants Beaten In State Legislature

SACRAMENTO, March 19. — The tenants lost in the assembly judiciary committee late last night when two measures introduced by Assemblyman William Hornblower were tabled.

The bills were aimed at "profiteering landlords," and placed in the hands of the state the power to regulate rents through the courts. A tenant could protest if he thought his rent too high and a landlord would be forced to show his books in court under the Hornblower bills.

They were tabled by a vote of eleven to one. The bill of Assemblyman Carleton Greene extending the time of notice of a raise in rent from thirty days to ninety days was also tabled.

Little hope is held for the Harris enforcement act today following the passing of the Badaracco anti-prohibition measure in the assembly. The Harris act would be defeated by approximately forty-six votes in the assembly, it is believed.

One of the fights scheduled for next week's session of the legislature is the osteopath bill. The bill provides for a separate board of osteopathic examiners.

Mr. and Mrs. Russell Are Luncheon Hosts

Mr. and Mrs. Mark Russell, of 1007 South Central avenue, entertained at a daffodil luncheon Friday afternoon. Daffodils and ferns were the decorations in the dining room, while place cards bore sentiments concerning daffodils and this beautiful spring flower appeared on the hand-painted cards. The invited guests were Mrs. Alice Williams and Miss Martha McNair, both of Pasadena, and Mr. and Mrs. Tracy Williams of Cleveland, O.

For quick delivery of fresh meats, three of the largest meat packers in Chicago operate a fleet of 515 motor trucks.

It is a friendly church and "seems like home."

PRESBYTERIAN

Two interesting services have been planned for the Glendale Presbyterian church tomorrow. At the morning service the pastor, Rev. Walter E. Edmonds, will speak on "The Unchanging Christ" and at the evening service on "The Religion of a Four Room House." Splendid musical programs have been prepared for the day and a fifteen minute organ recital, beginning at 7:15, will precede the evening service. The Sunday school convenes at 9:30 and will be in charge of the superintendent, H. L. Finley. The school is well organized with classes for all ages. This is the church where men go to Sunday school. The assistant pastor, Rev. Louis Tinning, will have charge of the story hour in the primary department. Musical program—Morning, "March Romaine" (Gounod) Quartet. "On the Way to Jerusalem" (Maunder.) Offertory "Andantino" (Gounod. Violin solo, "The Holy City" (Adams) Miss Esther Gleiss. Baritone solo, "The Palms," C. Clifford Riggs. Postlude, "Refeda" (Lichner.) Evening, "Melody in F" (Rubenstein.) "The Palm Branches" (Faure.) "La Cinquantaine" (Gabriel-Marie.) Quartet. "Evening Hymn" (Brackett.) Tenor solo, "A Prayer" (Tosti) Mr. Thomas G. McDougall. Offertory, "Theme" (Mozart) Quartet. "Rejoice Greatly" (Wolcott.) Gospel Solo, Mrs. Fannie Marple Retts. Postlude, "March Joveuse," (Bettman.) Pastor M. Mallin, eminent Scotch minister and organizer of "The One by One" working band will speak to the Men's Bible class of the Presbyterian church Sunday morning at 9:30. Mrs. Fannie Marple Retts will sing. In view of the coming evangelistic campaign it is to be hoped a large representation of Glendale men will be present.

FIRST LUTHERAN

Corner East Harvard and Maryland. Dr. H. C. Funk, pastor. Residence, 111 East Harvard. Phone Glendale 1322-J. Palm Sunday services, 11 a. m. Subject, "The Church, Our Spiritual Mother." Bible school, 10 a. m. "Luther League Night." Services 7:30. You are cordially invited.

NORWEGIAN LUTHERAN

West Palmer avenue. Rev. P. J. Fatnes, minister. The Norwegian Lutherans will hold their services every first and third Sunday in each month at 1:30 p. m. in the little church next to the Methodist church on Central and Palmer avenues. Public worship.

CENTRAL AVENUE METHODIST

Bible school, 9:45. James L. Brown, superintendent. Junior league, 11 a. m. Mrs. M. A. Hewitt, superintendent. Morning worship, 11:00. The pastor will preach on "Perfecting Holiness." Special music by the choir. Epworth league, 6:30 p. m. Mrs. Marple will lead. "Jacob's Promissory Note" is the topic. Evening worship, 7:30 p. m. Rev. Brink will preach on "Weighed in the Balance." Special music.

CHRISTIAN AND MISSIONARY ALLIANCE

Meetings every Tuesday and Thursday, 7:30 p. m. Gospel Tabernacle, 310 E. Chestnut Street, corner of Louise. Full Gospel—Jesus Christ—Saviour, Sanctifier, Healer and Coming King.

LENT AT ST. MARK'S EPISCOPAL

There will be two services at St. Mark's on the Sundays in Lent, 11 a. m. and 7:30 p. m.

At the 11 o'clock service the Rev. Dr. Cornell will officiate, and at the evening service the Rev. C. E. Webb, rector of St. Andrew's, Los Angeles. A very cordial invitation is extended to all to attend these services and to help make them fruitful of good.

Dr. Cornell will deliver a series of sermons on Sunday mornings during Lent on the subject, "The Way of Calvary."

Sunday, March 20, "A Sorrowful Triumph." (Palm Sunday).

Good Friday, March 25, "Crucifixion."

Due notice of the Easter services will be given later. The offerings on Easter Day will be devoted to the reduction of the church debt.

Girls, Are You Artistic?
Why not learn China Painting? You will find it worth while. Start a Hope Chest—or how nice it is to be able to paint china to give as presents. We are forming a special class for school girls on Tuesdays and Fridays from 3 to 5 o'clock.
Special Course, 15 Lessons, for $10.00
We furnish all working materials free—and we have a large stock of white china for your selection.

GLENDALE CREAMERY CO. GRADE A MILK AND CREAM PHONE GLENDALE 154

OWING to the fast growing demand for our fine prize winning guaranteed Raw Milk we have just increased our Tuberculin Tested Herd with thirty fine Jersey and Guernsey Cows.

We are now in a position to supply a limited number of customers with this pure, wholesome milk, delivering it in the cool hours of the morning in time for breakfast.

Come up and let us show you our sanitary cement milking barns and clean bottling plant. Watch us milk these fine cows with milking machines, then cooled immediately to 40 degrees and bottled in porcelain enamel bottler and capped with outer protective cap, which protects the pouring lip of the bottle against any contamination.

Then you will readily see why this is the safest milk for your whole family and specially recommended by local doctors for babies and invalids.

We guarantee this milk to be at least 4.5 per cent butterfat and contain less than 25,000 bacteria.

A trial order will be convincing. Also Pasteurized Milk and Cream, Kay Lac Buttermilk.

MRS. R. E. CHASE SECTION HOSTESS

DRAMA PORTION OF TUESDAY AFTERNOON CLUB HOLDS PARTY ON THURSDAY

The members of the drama section of the Tuesday Afternoon club were entertained at a St. Patrick's day party Thursday at the home of the curator, Mrs. R. E. Chase, 239 North Orange street. Decorations were of green carnations. Ice-cream and cake decorated with the green shamrocks were served.

The second and third acts of Henry Gibson's "The Doll's House" were completed. A motion was made and carried that until such time as a clubhouse is built the membership of the section shall be limited to thirty-five.

Further plans were made for the evening of April 21, at which time the section will present three one-act plays at the Palace Grand theatre for the benefit of the clubhouse fund.

Members present were Mrs. F. G. Abbey, Mrs. W. L. Anderson, Mrs. J. Roger Bentley, Mrs. Charles Temple, Mrs. A. M. Hunt, Mrs. L. Sherman, Mrs. Alma Gibbs, Mrs. J. W. Feinstein, Mrs. Frank Hall, Mrs. Homer D. Lockwood, Mrs. W. N. Stamps, Mrs. A. P. Findlay, Mrs. W. H. Verity, Mrs. W. F. Nash, Mrs. W. F. Nash, Jr., Mrs. R. K. Snow Mrs. J. I. Wernette, Mrs. Calvin Whiting and Mrs. Frank Ayars. The next meeting will be at the home of Mrs. Homer D. Lockwood, 325 West Lomita avenue.

(Continued from Page One)

ganize a Junior Auxiliary, to include young people from 14 to 20 years of age. The Junior Auxiliary is to be a branch of the Glendale Music club.

Mrs. Arnold, as director, and two other persons who have not yet been chosen, was appointed to organize a Juvenile Auxiliary for children under 14 years of age.

Community Meeting Planned

Mrs. Freeman Kelley was appointed chairman of the decoration committee. A community meeting will be held the first Friday in May, the program to be announced later. A banquet will be held the first Friday in June, at which time also the installation of officers for the next year will take place.

An amendment was made and carried that applications for membership shall be decided upon by members of the board instead of being voted upon by the active members. The following resolution was read and adopted :

"Whereas, The object of the Glendale Music club is to promote the advancement of music in the community; and,

"Whereas, Such an organization requires the hearty co-operation of the schools and citizens of a community; and,

"Whereas, Professor George U. Moyse has shown an exceedingly helpful spirit of co-operation in securing the Glendale Union High school for meetings of this organization; therefore, be it

"Resolved, That the Glendale Music club, as a tribute of appreciation to Professor Moyse, shall gratefully extend to him and to Mrs. Moyse complimentary associate memberships in said organization; and be it further

"Resolved, That copies of this resolution be sent to Professor Moyse and the Glendale daily papers.

"Mrs. Mattison B. Jones, president.
"Mrs. L. N. Hagood, secretary."

Gives Outline of Opera

After the business meeting Mrs. Dora Gibson gave a splendid outline of the opera "Othello" by Verdi. It is quite an interesting and remarkable fact that Verdi, after sixteen years of rest and after having written the wonderful masterpiece "Aida,', at the ripe age of 74 composed the opera "Othello," which is of an entirely different style from his other operas.

To illustrate her talk, Mrs. Gibson played the following records on the victrola: "Now Forever Farewell," sung by Caruso; "Willow Song" and "Ava Maria," sung by Melba; "Cassias' Dream," sung by Ruffo; "The Drinking Song," sung by Antonia Scotti; duet, "We Swear by Heaven and Earth," sung by Caruso and Ruffo. This concluded the program for the evening.

VERA GORDON AT GLENDALE THEATRE

DRAMATIC STORY OF MOTHER LOVE IS FEATURED ON PROGRAM TONIGHT

Vera Gordon, who created such a sensational success in "Humoresque," is seen in the new Select picture, "The Greatest Love," at the Glendale Theatre where it will remain for tonight only.

This is a dramatic story of mother love, sacrifice and family honor. Intense interest is sustained throughout by means of complications surrounding the death of a theatrical producer known to have been one of the most hated men in the city.

Tomorrow and Monday a triple feature bill has been arranged by Manager William A. Howe. David Butler, supported by Leatrice Joy, in "Smiling All the Way," the first episode of "The Son of Tarzan," and a revival of Mary Pickford's "The Mender of Nets," a David Wark Griffith production, gives Glendale theatergoers a large variety of pleasure.

The regular Sunday organ recital will be held from 6:30 to 7:15 with Madame Clement playing "Melodies from Ireland" as an overture, "It Happened in Nordland," "Old Hundred," "Serenade," "Garden of Dreams," "Then You'll Remember Me."

LIFTING VALVES BY MAGNET

It is possible to use a horseshoe magnet to lift the valves of an L-head engine instead of the usual bent wire, when grinding valves. This saves a considerable amount of time and annoyance.

In the states of Victoria and Tasmania, the consular district of Australia, there is a registration of approximately 22,265 motor cars and trucks, and 13,265 motorcycles.

Southern California

Aged Men Good Walkers

Although they are all past seventy years of age, C. G. Guyer, H. M. Garlick and Dr. George Peck of Pasadena walked to that city from Los Angeles in less than three hours yesterday. They covered twelve and a half miles on their tramp, according to pedometers.

Show at Santa Monica

The Bay Cities exposition at Santa Monica opened this afternoon at 1:30 o'clock, Congressman H. B. Osborne and Col. J. B. Lankershim being the principals in throwing open the gates to the big show.

Oppose Wage Reduction

The Merchants and Manufacturers' association of Los Angeles is sending out notices to its members warning against wage cutting. "By taking undue advantage of a surplus of labor, you lower shop standards. Such is a boomerang—part of a vicious cycle—that keeps boiling the pot of unrest and antagonism."

Wireless News Circuit

Daily newspapers at universities along the Pacific coast are the first to make practical use of the wireless as a news circuit. While special dispatches have been sent from one paper to another or by correspondents it has remained for the college boys to all "get in" on the same news at a half dozen different points including the University of Southern California.

Woolwine Fined $250

District Attorney Thomas Lee Woolwine was fined $250 for contempt of court during the "Big Hutch" trial for punching Defense Counsel Paul Shenck on the nose. Wonder if the American Legion here couldn't sign 'em for a finish fight.

Shoots Her Husband

Joe Dupont, Harry Carey's butler, is lying at the Burbank hospital fatally wounded by a bullet fired by his wife, it is said, when she thought she heard a prowler. She is in the county jail charged with an assault with intent to commit murder. Joe says he was hunting a pet raccoon and exonerates his wife of all blame.

Huge Blast at Corona

At 3 o'clock tomorrow afternoon a blast of forty tons of powder will rock a mountain near Corona. It will take eight months to clear away the rock jarred loose by the explosion which is the second largest in the history of southern California.

Al Jennings, Beware!

Al Jennings had better stay away from Los Angeles. That is if the converted bank bandit don't want to get arrested. For in a suit filed in the superior court, the plaintiffs ask that Al be confined to the county jail until an alleged debt it paid.

Producers Oppose Plan

Clara Smith Hamon is beat on coming to Los Angeles to put her life story in photoplay. Film producers say "the water's cold," and "don't come in," because people are not paying their money to see such shows any more.

Stayed There All Night

George Dunbar, a fourteen-year-old Los Angeles school boy, went hunting pigeons in the recesses of the North Broadway bridge. He slid down a rope, but he couldn't get out on account of an injured arm. So he slept there all night and in the morning he was rescued by police detectives.

AMERICAN LEGION NOT SUPPORTING

ORGANIZATION IS NOT GIVING BACKING TO CANDIDATES FOR SCHOOL BOARD

The following statement from Emil O. Kiefer, chairman of the executive committee of the Glendale American Legion, is self-explanatory:

"It has been brought to our attention recently that there is an impression existing in the minds of some Glendale citizens that the American Legion as an organization is supporting the candidacy of two of its members for the position of high school trustee.

"We deem it advisable, as heretofore, to again state to the public that, regardless of our personal opinions, the legion does not enter into politics.

"For the information of those who are interested, it can be stated that three of the four present candidates for high school trustee are ex-service men.

"EMIL O. KIEFER,
"Chairman of the Executive Committee of the American Legion."

BROKEN GEAR TOOTH

A very nice repair may be made on the broken gear tooth by sawing out the broken tooth, welding in place a bar of metal of appropriate size and then shaping it with a file to conform to the other teeth. This repair cannot be made on an alloy, heat-treated gear.

PARTISAN BILL TO CAUSE CONTEST, IS BELIEVED

ASSEMBLYMAN WHITE LEADER IN PLAN TO RETURN TO STRICT PARTY CONTROL

(Continued from Page One)

democratic form of government.

"As things are constituted now,'" he said, "a personal machine is built up by each successful candidate and the way is opened for the most outrageous abuse of principles and ideals of any man's political faith.

"The time will come, if we continue to operate in California and in other states under a nonpartisan or a seminonpartisan arrangement, when we will be unable to sustain the vitality of party principles in national affairs; then will opportunity come for government by a minority."

Equally emphatic in his demand for an amendment to the state's election laws is Assemblyman Smith, who asserted that formation of personal political rings kept alive by patronage and answerable to no proper authority is encouraged in California under existing statutes.

"Party government is the safest, sanest and most efficient governmental form with which we are acquainted," said Smith, "and the people can be depended on to put one party out and the other in when either party fails to live up to its ideals and obligations."

The White-Smith-Lee bill has been indorsed by Republican and Democratic organizations in the state, and, it appears from inquiry among the legislators, has a fair chance for passage.

SMALL TOWN IDOL AT PALACE GRAND

MACK SENNETT COMEDY WILL BRING MANY LAUGHS; NEW BOBBY VERNON FILM

"A Small Town Idol," one of the few productions Mack Sennett has made in six-reel proportions, comes to the Palace Grand theatre for an engagement limited to today only.

With practically every member of his all-star aggregation of funny folk enrolled in a congenial part, there is assurance that "A Small Town Idol" will more than make good in the distinguished presence of its Sennett predecessors.

Ben Turpin is the village hero. Phyllis Haver is his small town ideal; Marie Prevost is the city girl that befriends poor Ben when the home folk turn him down; Charlie Murray is the indefatigable constable; Jimmy Finlayson is the wretched villain who concocts all the trouble, and Kalla Pasha and Eddie Gribbon and all the rest of the Sennett notables are to be seen advantageously in the shifting scenes that cover as many places as are usually revealed in a half dozen "problem plays" wherein the slums and the green fields are visited.

Bobby Vernon in his newest two-part comedy, "Hey Rube," is an added attraction.

The conspirators who sought to deprive Miriam Cantey, an invalid heiress, of her estate, met their downfall at the hands of a reporter for a newspaper, as is shown in "The Passionate Pilgrim," which will be the feature attraction at the Palace Grand tomorrow.

One hundred and fifty thousand automobile tires purchased by a French syndicate from army stocks left in that country by the American forces are to be resold to the United States. The deal involves $1,500,000.

There are 75 trailer manufacturers in the United States, and approximately 50,000 trailers in use. This country leads the world in this industry.

AUTOMOBILE SECTION

Glendale Evening News, March 19, 1921

Automobile Industries Benefit to City

This is unquestionably the motor age and every phase of the motor industry has a vital connection with the business and social life of today. Within a comparatively few years, twenty at the most, the manufacture, use, sale and repair of automobiles has become the dominant industry in the United States, the principal business industry of the country.

Every business allied to the sale of automobiles is therefore linked very closely with the progress and welfare of the community and every reliable dealer in automobiles, accessories or anyone in any business allied to the sale or use of the motor vehicle is a distinct asset to the community.

Southern California has perhaps benefited more than any other section of the country from the general use of the automobile and truck on account of her good roads and her mild winter climate. Glendale, of course, shares in this advantage and many people are seeing Glendale every year who would be denied this pleasure were it not for the automobile.

It would follow logically that Glendale should have a live bunch of automobile sales agencies and salesmen, accessory dealers who handle everything that's made for the automobile and men in every line of automobile repair work who are experts and specialists in their work and have the best equipment on the market.

No one will deny that the advantage Glendale enjoys in this respect is one of her greatest assets as a city.

Free trip through the Studebaker automobile factory

We have arranged for an exhibition in this city of the remarkable film showing the manufacture, from the raw product to the finished car, of the

Studebaker New Light Six

At JENSEN'S PALACE GRAND THEATRE
WEDNESDAY, MARCH 23, AT 9:45 P. M.

To see this great movie is to get all the thrills of a trip through the newest and most modern automobile plant in the world.

In this film you will see the various parts that go into the NEW LIGHT-SIX transformed from red-hot metal to the carefully finished and inspected unit. You will see in operation the newest methods, the most painstaking standards and the most efficient machinery in use in any automobile factory.

Although of an industrial nature, this movie abounds in human interest, with plenty of action and in many cases real excitement. It is an education in itself.

The public is invited to see this great film
ABSOLUTELY FREE

Packer & White Auto Co.
San Fernando Valley Distributors for Studebaker Cars.
245 South Brand Boulevard Glendale, California

Nevada Measure Will Open Historic Road

CARSON CITY, Nev.—The King bill establishing a new state highway from Leetville to Carson City by way of Lahoontan and Dayton has been signed by Governor E. D. Boyle.

The proposed road would traverse a district rich in historic lore and in agricultural products. It is announced the road will be built as soon as surveys are made and bids obtained.

Cannot Take Revolver In Car, Court Decides

The Missouri supreme court has held that it is a violation of the Missouri state law against carrying concealed weapons to carry a revolver in the side pockets, under the seats or in other places of concealment in automobiles or other vehicles.

Invention Turns Truck In Its Own Length

A sort of two-wheeled jack, carried under the front axle of a motor truck of English invention, can be forced to the ground by the driver to lift the front, enabling the vehicle to turn in its own length.

R. C. Talbot Is With Max Green's Agency

R. C. Talbot, who is well known along Glendale's auto row, is now with Max Green's agency for Oakland motor cars in the San Fernando Valley with headquarters at 115 West Harvard street, Glendale.

Mr. Green states that business conditions are favorable now to increased motor car sales and reports that four Oaklands have been sold since the first of March. Several used cars also have been sold through his agency.

Speed Indicator Uses Lights For Guidance

A speed indicator for motor vehicles has been invented that registers speed by the flash of colored lights. The mechanism is encased in a metal box fastened to the front of the radiator.

New York City And Chicago Holding Lead

New York City has more than forty-one million square yards of paved streets. Chicago follows with 38,430,000 square yards, and Philadelphia with 22,610,000 square yards.

Oakland

THE Oakland Sensible Six Sedan links the homelike comfort of the closed car with the activity and thrift of the open model. No other car, regardless of size or cost, delivers transportation of a more efficient character. Powerful, roomy and reliable, it serves at exceedingly low cost. You are invited to examine the Oakland, now, at our salesroom.

115 West Harvard Branch, Van Nuys Glendale 538

Your Vacuum Tank Is In Need Of Attention

At the bottom of the vacuum tanks, which are now used on so many cars to secure proper fuel feed, there is located a drain cock. Many owners seem to think this is some sort of an ornament, but it should be opened at intervals, once a week or so.

Generally a little water and possibly some rust will flow out before the gas begins to come. In many cases it will be necessary to insert a bit of wire to clean out the drain cock of an accumulation of foreign matter. If this latter is permitted to remain long enough it will work its way back into the carburetor and make trouble.

Writing Desk In Car Is Proving Popular

As motor cars become more and more luxurious, their owners display a tendency to add to their equipment some of the normal appurtenances of living room and boudoir. A big town car of recent design includes a folding writing desk, arranged against the back of the driving seat, and containing all the usual provisions for writing materials. Should the occupant prefer eating to writing, a compartment for lunch and vacuum bottles supplies the requisites and the desk becomes a table.

Go Into Intermediate And Save Speed, Fuel

Difficult grades can be made with greater speed and less fuel in intermediate than if the engine is permitted to labor in high to the point of stalling. Contrary to popular supposition the engine will cool better if it is not obliged to labor excessively.

LOOSE WHEELS

A slight wobble on the axle will soon wear the key or key seat of the rear wheels into a dangerous condition. The only way of preventing the development of this condition is to give the wheels frequent inspection for slackness.

Mars Affectionate; Phobos Breaking Up

LONDON—It's all wrong to assign only war-like attributes to Mars, say British astronomers. That planet is far too affectionate for little Phobus, a three-mile in diameter Martian moon.

They calculate mathematically that Phobus cannot continue to resist the tremendous tidal strain which Mars is exerting upon it. Some savants predict that it will fall to pieces and the fragments either plunge down upon the surface of Mars from their 6000 mile height, or continue to revolve around the planet in separate orbits.

Officer, Don't Arrest That Driver, Is Order

SACRAMENTO—Because of the inability of the department to furnish license plates for cars which have not yet received them for at least three weeks, Superintendent Charles Chenu of the State Motor Vehicle Department has dispatched instructions to the police of all California cities not to arrest autoists, providing they can show they have applied for 1921 plates.

American Legion To Make Roads Attractive

CHICO—Chico Post of the American Legion has voted to supply the labor for planting of trees along the state highway between Chico and Durham. All that awaits the fulfillment of this beautification plan now is the supplying of trees. These may come from the United States Plant Garden, the State Forestry Department or from the city of Chico.

Trucks Are Used For Carrying School Kids

The state of North Carolina last year operated 247 motor trucks, transporting 7936 children to school. Five years ago, six trucks were used, carrying 150 children.

MOVING PICTURES DISPLAYED HERE

REMARKABLÆ INDUSTRIAL FILM WILL BE SHOWN AT PALACE GRAND NEXT WEDNESDAY

What is declared to be the most remarkable industrial film ever taken will be exhibited here Wednesday, March 23, at 9:45 p. m. at Jensen's Palace Grand theatre. It shows the complete manufacture of the Studebaker Light-Six in the newest and most modern automobile plant in the world. Arrangements to show this famous movie have been made by Packer & White Auto company, the Studebaker distributors. Admission is free.

Although of an industrial nature, this movie abounds in human interest, with plenty of action and in some cases real excitement. It shows the making of Studebaker cars from the raw material down to the finished car.

Scenes Are Very Realistic

One of the unusual features of this film is that special lighting and coloring effects were used in many of the scenes, making them realistic to a striking degree. Veritable miracles are performed by automatic and other ultra-modern devices that do nearly everything but talk.

A view of this movie is in some ways more interesting and inspiring than a trip through an automobile plant itself, because many details and operations which escape the eye on such a journey are caught by the camera. An educational advantage of this film is that it shows the manufacture and assembly of each individual unit in continuity. For instance, in the making of the crankshaft, each step is pictured from the forging operations down to the complete machining of this important unit. The same applies to the camshaft, motor, body and other parts.

The numerous inspections through which each part passes to insure its accuracy and quality are vividly pictured, and throughout the picture an impressive feature is the speed and efficiency with which results are secured, as well as the high type of men to whom the various tasks are allotted.

All operations shown are performed in the Studebaker plant at South Bend, where the New Light-Six is manufactured complete.

S. H. French, of the Cleveland agency, is proud. Why? A baby girl arrived at his home recently. Isn't that enough to make a fellow feel good?

Testing Of Wheels Is Declared Necessity

Every car owner ought to make a practice of testing the wheels for side play at least three or four times a year. Side play performs a doubly vicious role, for it causes excessive bearing wear and tire wear as well. If the motorist will jack up each wheel in turn and grasping it firmly, push and pull it, any side motion will be readily apparent. In many cases wheel bearings are adjustable to care for just such trouble.

50,000 Miles Without Puncture, Tire Record

WOODLAND — Fifty thousand miles without a blowout or a puncture.

This is the record claimed by Thomas D. Cummins, rancher and stockman of Yolo county, for a tire he is using on his heavy touring car.

Cummins states the tire was vulcanized after it had gone 25,000 miles. He says he has traveled over Oregon and Nevada roads with it. It is still in use.

Brake cable wire should be frequently inspected. If a single strand becomes broken the rest will give way quickly. Especially is this true at points where the cable passes through or around a sheave.

The Glendale Nash Sales

THE Nash Six is known not only in America but in twenty-three foreign countries as well, as an unusually good car. The world-wide success of the Nash Perfected Valve-in-Head Motor, operating under all kinds of road and climatic conditions, proves it a real step forward in motor construction. And every other part of the Nash Six is equally as good as its motor.

The Nash Six delivers to its owners all that can be asked of any motor car. It is stylish, comfortable, powerful, economical and durable to a degree that is really above the ordinary. It has performed and is performing in a way that creates for it hosts of admirers wherever it is in service. Because of the high character of this performance the Nash Six is now generally recognized to offer an unusually attractive value at its price.

Reports from owners in all sections of the country show mileage records of the Nash Six beyond the ordinary. This is due to the Perfected Valve-in-Head Motor and to the well balanced construction of the entire car.

In brief, good performance, such as is found in the Nash Six, is what keeps an owner happy and satisfied with his car, and accounts for the unusual favor with which the Nash Six is regarded.

NASH MOTOR
VALUE CARS AT VOLUME PRICES

Figures Are Given On Grade Crossing Crash

Figures compiled by the Safety Bureau of the New York Central railroad, taking in all their lines, and covering the first eight months of 1920 show a total of 136 persons killed and 307 injured in grade crossing accidents, as compared to 133 killed and 281 injured in a like period the year before.

Prison-Made Plates For N. Y. Automobiles

New York state automobilists, or at least a portion of them, will use prison-made plates on their cars for the first time this year. The entire contract was to have been turned out by the state prison department, but the equipment was installed too late at Auburn prison to turn out the full number.

Tractors Ordered Off New County Highways

YUBA CITY—Driving of tractors over the new county highways in Sutter county without removing the flanges from the wheels is to be stopped. County Engineer Edward Von Geldern has caused the arrest of the driver of one tractor and announces he will proceed against any other caught violating the rule.

LibertySix

Far sighted buyers are choosing a motor car such as the Liberty which does not have to be replaced each year—not only does the beautiful coach work remain in favor, but the car, with reasonable care, performs even better its second year than its first.

NASH STANDS UP ON HARD JOURNEY

MAKES REMARKABLE RUN FROM LOS ANGELES TO PHOENIX AND BACK; NO TROUBLE

E. B. Sutton, local agent for the Nash automobile, recently received the following letter from H. J. Coger, vice-president and manager of the Troy Motor Sales company, distributors of the Nash Motor company's products:

"Yesterday we sent you a telegram advising you that a Nash car had made a round trip record between Los Angeles and Phoenix. I want to comment just a little on this matter.

"During the old racing days when the Los Angeles to Phoenix road race was in vogue, it was considered some stunt to send a racing car over this course in anything under 30 hours and in doing this it involved an expense of several thousand dollars in preparing the cars for the trip.

"To make this story brief and that you may understand thoroughly just what we accomplished, I want to state that without any preliminary arrangements, Arthur Marshall, Jimmie Redmond and William Priebe left Los Angeles with less than five hours' notice in advance, in a Model 681, fully-equipped, and covered the entire distance to Phoenix and back to Los Angeles in 37 hours and 46 minutes running time.

Little Wear and Tear

"They arrived in Phoenix at 8:45 in the evening and left at 2:30 the following morning, which gave them a chance for a few hours' rest before starting back. There never was an automobile put over this road that shows so little wear and tear for the trip. The total mileage was 1007 miles without a single tire change, and to be real honest the tires do not look like they had been out of the city limits. In addition to the fact that there was no tire change, I also want to add that there was no mechanical adjustment made on the car during the entire trip and this is a point worth emphasizing.

"This proves in our minds and should be evidence to you that the Nash car is one with more flexibility and more power properly distributed than any other medium-priced car on the market, and we hope that the effort that we have made in proving the stability of the Nash car in this manner will be of benefit to you."

Night And Day Tow Service Is Provided

The Night and Day garage, which E. W. Kingsley and L. T. Rowley recently purchased at 217 East Broadway, announce a new innovation. It is a 24-hour tow service for crippled machines. This adjunct to their night and day repair service will undoubtedly prove invaluable to persons who wish to use their car the "morning after."

Stolen Fords Found On Salesroom Floor

DETROIT, Mich. — Twenty-two Ford sedans and coupes, said to have been stolen in Detroit in the last two months, were recovered in the salesroom of a Michigan avenue auto sales company. Several of them have been identified by their owners.

Two officials of the company are under arrest, charged with violating the Dyer Act, which prohibits interstate shipment of stolen cars.

The motor numbers on every car had been changed to correspond with those of automobiles shipped some time ago by the Ford company to Colorado, Arizona, Iowa and Manchester, Eng., according to officers of the Detroit police auto squad who made the arrest and seizure. When arrested, the two officials stated they had bought most of the machines one by one from different persons.

Claims Record From Valley In Maxwell

BRAWLEY—C. H. Preston, local agent for the Southern Pacific, claims to have established a new automobile record from Brawley to Los Angeles via San Diego recently when he drove a Maxwell with four passengers over the route in 13 hours and 20 minutes. Excellent time was also made on the return trip via the inland route which required 12 hours and 15 minutes. Considerable time was lost on the return trip because of bad roads south of Indio.

A REAL ANNOUNCEMENT

We have been appointed "Exclusive Distributors" for Glendale for the "Dural Antimony Inner Tubes." We feel sure we have the best automobile inner tube on the market today to offer our acquaintances, friends and patrons. There are a great many reasons for this statement and we quote a few:

Steam Splice

Dural Tubes are "steam spliced," and not "acid spliced" like ordinary tubes. The "acid splice" is fairly safe protection, but the "steam splice" is absolute protection. It costs twice as much as the "acid splice," but it means a better tube.

The Liberal Overlap

The liberal Dural overlap costs five tubes in every hundred, but it gives real protection against "pinching" or "pulling" when the beads of the tire casing abuse the tube. This overlap gives a "built-like-a-bridge" construction, with greatest strength at the point of greatest strain. And it means a far better tube.

Stronger Valve Patch

Dural Valve patches are made of two ply heavy Sea Island duck, not one or two ply of sheeting. This material applied to Dural Valve base construction insures no leakage at the valve. It is heavier material cost, but it means a better tube.

Tested Strength

The tensile strength of every inch of Dural Tube is 2300 lbs. per sq. inch, with a stretch of 1 inch to 9½ inches. This means the greatest strength for long life and service. Every inch of Dural is tested strength—and that means a better tube.

Guarantee

We will replace **free of charge** any **DURAL** Antimony Red Tube leaking at the splice, leaking at valve joint, porous or out of shape, if it is returned to us one year from date of purchase. Replacement will not be made if the tube shows misuse from blowout, chafing, pinches, cracks or breaks in casing, imperfect beads or flaps.

"Premium Crude"

Every ounce of rubber that goes into Dural is "premium crude." We buy nothing but branded "selected estate," which is far more expensive than ordinary "ceylon rubber." Here is a big reason for Dural uniformity and long life. It costs more, but it means a better tube.

"Full Sized Tubes"

Every tube is made full sized—you'll never find "skimping" in any Dural. This not only insures strength, but prevents the wear of chafing and rubbing. This is especially important for tubes used in Cord Tires. "Full size" costs more, but it means a better tube.

EACH DURAL TUBE IS EQUIPPED WITH A "KWIKONANOFF" DUST CAP

Laminated Construction

Laminated construction means the wrapping of sheets of rubber over each other. This prevents porosity and makes a tougher, sturdier tube. It is an expensive process, but it means a better tube.

REMEMBER—Prices not higher than other first class tubes, so why not get the best. Watch for our demonstrations.

"Our Aim Is To Handle The Best"

CLEVELAND WINS OVER HEAVY ODDS

PLENTY OF REASONS ADVANCED WHY AUTO IS POPULAR TO THOSE SEEKING SERVICE

"The reasons E. S. Fuller of Foxboro, Mass., drives a Cleveland Six are reasons why there are nine hundred more-than-satisfied Cleveland owners in California. The reasons will interest you."

This statement was made to a reporter for The Evening News by S. H. French, of Bartlett & French, Brand at Harvard, Cleveland dealers. He continued by saying:

"Mr. Fuller left Boston for Los Angeles November 18. Immediately its punishment began.

"In Pennsylvania, Ohio, Illinois and Kanses slippery, clinging hub-deep mud in the roads caused hours of continuous low-gear work. Twice the Cleveland Six pulled out of the ditch with its own power.

"In New Mexico and Arizona he drove a hundred miles of sand, rocks and boulders which it seemed no machine could survive.

Never Failed Him Once

"The Cleveland Six stood the strain. Through all conditions the six-cylinder Cleveland motor carried on, never missing, never overheating, never failing.

"Mr. Fuller says: 'The Cleveland came through without a dollar's repair expense. As Mrs. Fuller states, next to our baby, we value the Cleveland.'

"In the Cleveland Six, on California roads you'll get far more of this unfailing satisfactory performance, with reserve power and strength for all energies.

"Visit beautiful display rooms, where a courteous floor man will show you the car. Ride in one; drive it yourself. Phone now for a demonstration."

Agricultural Sections Heavy Buyers Of Cars

Two-thirds of all the automobiles sold in this country last year went to the users in agricultural districts. More than half of all the cars went to towns of less than 5000 inhabitants.

BUICK

Authorized Buick Service — Emblem of Satisfaction

MORE Buicks are in use today than any other automobile with one exception. There is just one reason—Buick fulfills its promises.

But do not decide on this evidence alone. Let us demonstrate with a beautiful new 1921 model. Experience for yourself the physical satisfaction in the comfort, roominess, beauty and refinements of these new models; the mental satisfaction in the absolute Buick dependability.

A nation-wide Authorized Buick Service is constantly alert to serve Buick owners.

Since January 1, regular equipment on all models includes Cord Tires

LONG BEACH WILL HOLD AUTO SHOW

MANY UNUSUAL FEATURES ARE PLANNED FOR EXPOSITION ON APRIL 4 TO 9

Long Beach is going to stage an auto show. April 4 to 9.

It is going to be worth going miles to see. Unusual features have been planned and the ambitious program outlined by the Long Beach Auto Trades association promises every phase of enjoyment and edification that can properly be embraced in an automotive exhibition.

The show will be held at Sixth and Atlantic streets, where 29,000 square feet of floor space will be under cover for this exhibition.

The dates selected for the show are the same that have been set aside for Long Beach Prosperity Week, when the business men of Long Beach will put on special displays to visualize the progressivism and prosperity of the queen of the beach cities.

The Chamber of Commerce is cooperating with the Auto Trades association and the merchants of Long Beach to make the double event one long to be remembered. Frank Woodward is chairman of the Auto Show committee appointed by the Auto Trades association. Working with him to make a big success of the exhibition are John O. Rankin, Charles R. Arnold, Glen Thomas and M. Robert Atherton.

Sylvan Setting for Show

A number of fifty and twenty-five foot redwood trees are to be brought from the Santa Cruz forests on special freight cars to make a sylvan setting for the auto show. The Long Beach furniture dealers will fit up a spacious reception room, where the thousands who visit the exhibition may rest and chat. Special entertainment features will be provided.

Every well-known car made in America will be on the floor of the auto show and a number of imported models will be on display. Los Angeles automobile accessory wholesalers are enthusiastic in their responses to the invitation extended them to co-operate in making the exhibition go over big.

REPLACING RADIATOR HOSE

When the outlet and inlet of the water system are close together, it is often difficult to get the rubber hose that connects the two in place. By kinking up the hose, bending it in the middle, the two ends will slip over rather easily.

DORT

Built Solidly to "Stand Up"

As you know the Dort has won a national name for its "stay put" qualities.

Its oversize frame is particularly valuable in a light car, because it keeps the car rigid under continuous road pounding.

Everywhere throughout the Dort structure where there is a working strain you find this oversize and overstrength.

Now you know why the Dort so seldom goes to the repair shop. It's built to "stay put." Accessibility is another pronounced characteristic of the Dort.

Whenever your Dort does need a little "tuning up" or an adjustment here or there you don't have to dissemble the car.

One of the foremost thoughts of Dort engineers was to build the car so its owners could give it the ordinary service attention easily and inexpensively.

AUTO CLUB GETS FACTS REQUIRED

FOREIGN TRAVELERS SECURE INFORMATION; MEXICO TO DRAW MANY TOURISTS

Mr. Motorist, what would you like to know about motoring conditions in any foreign country ?

The Automobile Club of Southern California daily acquires information relating to the use, importation and abuse of motor-driven vehicles in countries other than the United States and this information is available for any person who wishes to inquire for it at club county offices or at the headquarters.

For instance, did you know that the use of sirens is prohibited in all large French cities?

If you take your automobile to France this year you are only allowed to carry two spare tires with tubes or two wheels complete, free of duty. If you carry any more, you'll pay duty which is not refunded.

You can now take a rifle or shotgun across the border into Mexico for hunting game if you get a special permit from a Mexican representative in your home town community and a second permit at the border.

Mexico Travel To Be Heavier

Motor travel into Mexico from this section of California during the spring season and coming summer will be heavier than ever before in history, according to indications evidenced at the various touring bureaus of the automobile club where inquiries have been very frequent. In regard to the condition of Mexican roads, they are said to be in a fair condition, but they are not sign-posted and there are few facilities for securing gas or oil en route.

Auto racing in South America is becoming as popular an outdoor sport as bull-fighting in Spain and at the annual automobile races promoted by the Automobile club of Argentina recently held, there was an entry list of thirty-nine cars, the largest on record and the biggest automobile event ever held in South America. Of the thirty-nine cars entered thirty-two were made in America.

The popularity of Canadian motoring is growing apace. Banff and Lake Louise will be the objective points for many tours and Vancouver will also have many southern California visitors this summer.

TO PREVENT SCRATCHING

If strips of brake lining are tied around the jaws of bars used to bend plated or enameled levers, pedals, headlight rods, etc., scratching will be prevented.

Our Hearty Congratulations

YOU'VE a sturdy body, a strong heart and reason to rejoice for—

All the will in the world isn't much use when the flesh is weak.

That's true too, of cars—*your* car included. For the Storage Battery is the heart of any car and it must be ready, as well as willing, when you want it.

The Eveready Storage Battery is just that type; and to back up their faith, the makers give a definite, written guarantee for one and one-half years of good service.

Whatever make Storage Battery you use now, let us help you keep it in its best condition. Stop to-day for inspection and test.

CLUB DETECTIVES SOON FIND AUTO

CAR USED BY DRUG STORE BANDITS QUICKLY RETURNED THROUGH OFFICERS' WORK

Rapid fire-work on the part of the theft bureau of the Automobile Club of Southern California has proved an effective curb on the activities of hold-up men throughout the southern part of the state.

Practically every county has witnessed the results of automobile club efforts to apprehend motor car thieves and bandits who steal automobiles for the purpose of using them in their night raids in outlying drug stores and grocery shops.

One of the most recent instances of this type of activity was the finding of the automobile used by the eight drug store bandits in Los Angeles. This car was stolen at 7 o'clock in the evening from in front of the owner's house. The owner at once reported the theft of the car to the automobile club. The club detectives later heard of the holding up and wounding of the Los Angeles druggist in his store at 8 o'clock.

Auto Is Soon Found

According to description given by witnesses of the crime, the bandits were using the car which just had been reported stolen. The full force of the club's detective bureau was at once brought into action and at 2:30 o'clock in the morning the car was found on Maple avenue in Los Angeles. The owner, F. A. Hitchcock, called at the automobile club the following morning to report details of the theft and found his car waiting for him.

So gratified was he with the results of the organization's activity that he immediately took out a membership in the club and insured his automobile.

Valuable evidence in this type of crime is secured by the club's theft bureau in the recovery of automobiles used by thieves, because excellent reproductions of finger prints can be secured from the highly polished surface of the automobile bodies.

Cannibals Still Eat Human Beings, Claim

NEW YORK—Rev. Roger S. Guptill, Methodist missionary to the Congo Belge, named by the cannibalistic natives "King of the Monkeys," sailed recently from New York for England en route to his mission station in the heart of the African jungles. Rev. Guptill received this name when with his wife and infant son he went eleven days' trek into the bush country north of the end of the Cape-to-Cairo railroad to the village of Kamongo, paramount chief of the Luba cannibals.

Mrs. Guptill and her baby were the first white woman and child to venture into that country, and all along the way they were the objects of the greatest curiosity by the natives, some with poisoned arrows and spears. The Guptill infant was carried in a chest with screen wire sides, under lock and key, suspended from a pole which rested on the shoulders of two native carriers.

At the capital of the Chief Kabongo, the Guptills lived for six months, during which time the minister won many converts to Christianity. His church was built by convicted cannibals condemned as a penalty for shooting poisoned arrows at the chief's soldiers who came to investigate the disappearance of eighteen native carriers from the caravan of a Belgian official.

Rev. Guptill says the natives eat each other as muchas formerly, but they take care to burn the bones to powder, which they scatter in the swamps, thus hiding all trace of their deed.

Guptill was "King of the Monkeys," a term of respect for his wisdom, the natives holding a crude form of the Darwinian theory that monkeys are wiser than men.

Marriage No Longer Is Game Of Love?

HOUSTON, Tex. — Marriage is a business now—not a love game.

That's the observation of Don Kennedy, marriage license clerk in Houston.

"Girls around 20 know a boy of 21 can't support them," said Kennedy. "So they're looking about for older men—men who have established themselves and who can provide homes and luxuries."

Ages of contracting couples have changed in the last year so so, according to Kennedy.

"Girls of 18 or 19 years used to marry boys of about that age—or 24 maybe," he said. "Now the women are picking older men."

His license record for the last two months showed the women average at marriage 21 years, while the men average 36 years.

And there aren't any blushing brides or stammering bridegrooms any more, according to Kennedy. "Now they breeze in as if they were ordering coffee and order a license without batting an eye," the clerk said.

EXPECTS DEMAND TO PASS SUPPLY

HEALTHY INDICATIONS BEING SHOWN BY AUTOMOBILE INDUSTRY FOR 1921

"The year 1920 was, in many respects, the greatest in the automotive industry," says O. W. Tarr, local dealer in Chevrolet passenger and commercial cars.

"The total number of cars produced is estimated at 2,350 000, about 375,000 more than in the previous year.

"The total registrations for 1920 are estimated at 9,000,000, or about 1,500,000 more than in 1919.

"This shows an increase in registrations nearly 400 per cent greater than the increase in production. It shows an increase in demand growing more rapidly than the manufacturer's ability to supply.

"This is a healthy indication for the industry. But it is only one encouraging sign of future conditions.

Demand Will Exceed Supply

"This increase in registration means also an increase in the number of cars that must be replaced. In 1921 it is estimated that more than 1,000,000 cars must be manufactured to replace those now in use before one can be supplied to new purchasers.

"If there should be no increase over 1920 in the number of new cars demanded, or in the number of cars manufactured—and there is no precedent for such a condition—the demand in 1921 will still exceed the supply.

"It is possible that production this year will not exceed the total of last year. But it is certain that demand will increase. The manufacturer therefore will find himself in a stronger position than ever before while the conditions affecting the purchaser will be practically unchanged."

BATTERY CHARGING

Never allow a naked flame to come near the storage battery while it is being charged or immediately afterward.

NEW DEPARTMENT OF CLUB SUCCESS

COMMERCIAL CAR BUREAU OF AUTOMOBILE ORGANIZATION MEETS WITH APPROVAL

By STAFFORD HARLOW,
Manager Glendale Branch Auto Club

General acclaim is greeting the establishment of the new commercial car department by the Automobile Club of southern California in behalf of all owners of trucks or stages in the southern part of the state.

The importance of this department becomes apparent when it is realized that through the club medium the commercial interest will have powerful representation in every county of southern California.

Special emblems will be loaned to the members of this department which will identify the same with the activities of the automobile club. The dues and fee will be the same for commercial members as for the owners of touring cars. Membership cards will be issued in the names of firms, companies and corporations and in the lower left hand corner of the membership card will be typewritten the word "commercial."

Handling Legal Work

In order to properly handle the legal work for this new department, the general counsel of the club will detail one man of the legal department so that the interests of all commercial members can be thoroughly taken care of. Insurance will be handled through the club's insurance bureau.

Applications already made for membership in this department indicate that it will be one of the most popular steps taken by the automobile club in some time and is commensurate for the establishment of the theft bureau and other departments which promote the general welfare of the motoring public. Thus the club plans to watch over the interests of all classes of automotive vehicles in southern California.

Owners of commercial vehicles of any description who wish to affiliate with the automobile club should make early application at the local branch office of this county.

ATTACHING FRAME BOLTS

Bolts running through the frame channel are often very difficult to get in place once they are removed. An easy method where these bolts are drilled to take a cotter pin is to run a piece of wire through the frame hole, then out and through the hole in the bolt. The bolt may then be drawn through the hole.

Barber Tells Why He Should Be Elected

AURORA, Ill.—If diversity of vocation and avocation, if excellence in that which he has attempted, mean anything in the old world of smiles and tears, then Wilson A. Groshans, barber, checker champion, eugenics expert and master scientist, will be the next mayor of Aurora.

Four aspire to the executive office—the present mayor, Charles A. Townsend; Colonel Charles Greene, commanding officer of the 129th Infantry, Thirty-third division; Fred B. Streeter, and Groshans.

Groshans hesitated to add politics to his long list of accomplishments, but upon the insistence of his friends he announced his candidacy and in a statement entitled "Who is this man Groshans and what has he ever done?" he tells why Aurora should name him mayor. Briefly he admits he is:

One of the world's foremost exponents of the brain game, checkers.

Discoverer of the cause of baldness, after failure of the scientific world in centuries of effort.

Publisher of a monograph on converting non-laying hens into layers.

Writer of more original science than any man in the state.

Lecturer in Chicago on heredity and eugenics.

Expert on laws of stock breeding and the fallacy and purpose of the popular evolutionary theory.

Profound student of nature, causing him to shrink from the rabble. (Reason he is not well known.)

Owner of his own home, taxpayer, favors civic betterment, a friend of labor, though not an enemy to capital.

Although a barber, experiments with cats, dogs, pigeons, rats, chickens and canaries.

Member of the Kane county board of supervisors and the American Genetic association.

A handy tool for grinding shims, piston rings, bearing caps, etc., may be made by passing a carriage bolt through the center of the round board which holds the emery cloth. This is clamped to the breast drill in the chuck.

Hard Times In Japan, According To Reports

TOKIO—Judicial officers of Japan are appalled at the great number of bankruptcy cases which took place as a result of the great financial slump which struck the empire in March and which lasted throughout the year. While figures have been compiled for the first ten months of 1920 only, it is shown that during that period no less than 1420 bankruptcies took place, while, as the number increased during the end of the year, the total is likely to reach about 2000.

In applying anti-skid chains they should not be made so tight as to stop creeping. The chain should be allowed to creep slightly so that the wear will be distributed instead of concentrated at fixed points.

The latest United States army tank will develop a speed of 12 miles an hour over broken ground, and 30 miles an hour on ordinary roads without its caterpillar tread.

CHEVROLET

"The Product of Experience"
